Col. Gen. Jodl Makes Appeal For Clemency

Formal Appeal Against
Death Sentence Made To
Gen. Eisenhower And
Marshal Montgomery

DOOMED NAZIS ARE
UNDER HEAVY GUARD

By PIERRE J. HUSS
(N. S. Staff Correspondent)

NUERNBERG, Oct. 2.—Col. Gen. Alfred Jodl, chief of the German general staff and Wehrmacht commander in chief, appealed today to the two top commanders of western Allied forces in the war with Germany against his condemnation to death by the war crimes tribunal.

His appeal in an effort to save himself from the gallows was sent to both Gen. Dwight D. Eisenhower, chief of staff of the United States Army, and Gen. Bernard Law Montgomery, now chief of the British Imperial general staff.

Under "Suicide Watch"

All of the convicted were kept under strict "suicide watch" to prevent any attempts to escape the noose.

The move by Gen. Jodl was the first direct action by any of the condemned to seek clemency following announcement of the verdicts by the four-man court in Nuernberg yesterday.

It was understood that the appeal was sent to Gen. Eisenhower through Frankfurt, headquarters of the (Continued on Page Two)

Three Japanese Are Found Guilty Of Cannibalism

GUAM, Oct. 2.—(INS)—Three Japanese army and navy officers were found guilty of cannibalism today in a verdict handed down by a United States war crimes commission.

Ten other Japanese defendants in the shocking case were convicted of murder and other war crimes. Sentence will be passed Saturday.

Witnesses during the seven week trial testified that the acts of cannibalism and murders took place after eight American flyers were downed on Chichi Jima in 1945.

Those convicted included Lieut. Gen. Yoshito Tachibana and Vice Adm. Kunizo Mori.

There were 14 defendants in the case but one was exonerated of any blame.

Trolley Strike Continues

COLUMBUS, Oct. 2.—(INS)—The strike of 600 Columbus street car and trolley coach workers entered its second day today with little hope seen for immediate settlement and a general CIO sympathy walk-out under discussion.

Negotiations between local 280, CIO-Transport Workers Union and Columbus & Southern Ohio Electric Co. officials were scheduled to be reopened this morning.

Some 300,000 Columbus residents who normally ride the trolley system were forced to utilize such arrangements as car pools or fall back on taxicabs.

PA NEW OBSERVES

Fifty-four births were recorded for the month of September at the New Castle hospital, with 34 male infants born and 20 female infants.

Numerous postal patrons were espied by Pa New at the post office on the Public Square Tuesday afternoon trading in their now defunct eight-cent air mail stamps for the new five-cent stamp that has just been issued by the government. The new five-cent stamps were selling quite readily.

Reaction To Nazi Verdicts Is Varied

By CHARLES A. SMITH
(N. S. Staff Correspondent)

LONDON, Oct. 2.—Verdicts meted out by the war crimes tribunal in Nuernberg received general approval today but there was some criticism of the acquittals of three of the 22 chief Nazi defendants.

German prisoners of war were surprised as anyone that some went free and others escaped the death penalty.

The London Daily Mirror, reporting on a survey of prisoners of war in British camps in Germany and other points on the continent quoted many as asking:

"How can (Franz) Von Papen be freed when we still are prisoners after two years of peace?"

Record Making U.S. Airmen Rest At Washington

Men In Crew Making 11,237
Mile Fight Compiling
Facts Learned

By LEE VAN ATTA
(N. S. Staff Correspondent)

WASHINGTON, Oct. 2.—The U.S. Navy's mile-eating "Truculent Turtle" bomber and its tireless crew of four airmen rested in Washington today after setting new international flight and range records.

The Lockheed Neptune patrol craft, smashing all previous non-stop air marks, streaked the 11,237 miles from Perth, Australia, to Columbus, Ohio, in 55 hours and 18 minutes.

It landed at 12:28 p. m. (EST) Tuesday to become the first American airplane to soar half-way around the globe in a single sustained flight.

To Compile Facts

Today the four-man crew led by Commander Thomas D. Davies, 32, of Cleveland, Ohio, were scheduled to begin compilation of a vast fund of aeronautical knowledge learned in the course of the epochal mission.

Davies declared:

"We found a lot of improvements on the trip. We have still more to learn."

Secretary of the Navy Forrestal was at Andrews Naval Air Base when Davies and his record-shattering colleagues—Commander Eugene Rankin of Sapulpa, Okla., Commander Walter Reid of Washington, and Lt. Cmdr. Roy T. Belling of Jacksonville, Fla.—landed at 5:25 p. m. from Columbus.

Showing no visible signs of fatigue, they had nevertheless been transferred from the "Turtle" which was flown into Washington by a special relief crew.

Forrestal, in the name of President Truman awarded the four men with the distinguished flying cross for "superior skill and airmanship" during the more than two days of continuous flying.

Meanwhile, successful completion of the dramatic non-stop flight touched off a storm of speculation in the probable future of extreme long-range aviation.

Urges Government Take Over Control Of Utility Plants

PITTSBURGH, Oct. 2.—(INS)—A well known Pittsburgh clergyman today advocated government ownership of public utilities as a means of halting strikes which affect the general welfare.

The Rev. Dr. Clarence E. MacArthur, of the First Presbyterian church in Pittsburgh, admitted such ownership might result in inefficiency and further political influences.

But, the minister added, inefficiency and political domination would be better than total paralysis in a great metropolitan center.

Specifically, Dr. MacArthur was referring to a power strike which has literally strangled metropolitan Pittsburgh and its environs during the past nine days.

Plan Celebration At Slippery Rock

SLIPPERY ROCK, Pa., Oct. 2.—(INS)—Slippery Rock State Teachers college will hold a gala three-day "victory homecoming" celebration next weekend at Slippery Rock. It has been announced by college officials.

The feature of the celebration will be a football game with Indiana State Teachers college at 2 p. m. Saturday. A dance will follow, college officials said.

Soviet Bloc Of Nations Is Voted Down On Treaties

One Defeat After Another
Is Suffered In Action On
Articles Of Treaties

COMMISSIONS RUSH
TO MEET DEADLINE

PARIS, Oct. 2.—(INS)—The Soviet bloc of nations went down to one defeat after another today as peace conference commissions rushed final articles of five treaties to a vote.

Meeting in three conference rooms simultaneously this morning and afternoon, various commissions raced to meet the Friday deadline for completion of their labors.

The speed of action was underscored by sharp bloc division.

Practically every vote was nine against five, seven against five, or 14 against six, depending on the membership of the commission.

But always the United States, Britain, France and the other western powers lined up against the Soviet group.

Angry Soviet Protests

Debate on Trieste found the western ground supporting the American views as against angry Soviet protests that the west was abandoning the draft proposed by the Big Four council of foreign ministers.

The Balkan economic commission in successive votes defeated Soviet opposition to articles on commerce and civil aviation.

The sharpness of these divisions made observers forecast new differences would arise during the final drafting by the Big Four.

Baruch Answers Critics On Bomb

LAKE SUCCESS, N. Y., Oct. 2.—(INS)—Left-wing critics of the Baruch plan for the control of atomic energy had their answer today in the form of a rebuke from Bernard M. Baruch himself.

Baruch, the American representative on the United Nations atomic energy commission, took public issues for the first time with left-wing criticism touched off by views expressed by former Secretary of Commerce Henry A. Wallace.

In a sharp reply to Wallace's followers, Baruch flatly denied that the United States was asking the rest of the world to stop nuclear research and reveal its uranium resources while this country retained complete freedom of action.

Baruch wired:

"I say without reservation that this is either misinformation or complete distortion. Nowhere does any such statement occur in the American proposal."

Baruch's denial was the result of statements made in Chicago on Saturday at a conference of the National Citizens Political Action, Independent Citizens Committee of the Arts, Sciences and Professions, and the Congress of Industrial Organizations' Political Action Committee.

The Baruch reply was in the form of a telegram addressed to Henry Morgenthau, Harold Ickes and Philip Murray, president of the CIO, who were speakers at the conference.

State D.A.R. Delays Electing Officers

ALTOONA, Pa., Oct. 2.—(INS)—The 50th annual conference of the Pennsylvania Society of the Daughters of the American Revolution, recessed today without electing officers.

A special nominating committee, appointed by State Regent Mrs. Benjamin R. Williams, of Butler, will report at a special conference to be called in February.

The nominating committee is made up of Mrs. D. R. Smith of Towanda, Mrs. John E. Hires of Stafford, Mrs. John G. Love of Bellefonte, Mrs. John M. Stalling of McKeesport, and Mrs. W. R. Campbell of New Castle.

AUTO FIRE

Firemen from Central station extinguished a small fire under the floor boards of a tractor owned by the Keystone-Lawrence Transfer Co., at 2 o'clock this morning, when the driver drove his trailer truck to the fire station. Fire Chief James E. Thomas reports. The fire was extinguished with a hand extinguisher.

Westminster Students Are Being Enrolled

Record Enrollment Is Under
Way—Classes Will Be
Started Friday

(Special to The News)

NEW WILMINGTON, Oct. 2.—Westminster college authorities heaved a sigh of relief when night-fall arrived Tuesday for only then did the rush of opening day enrollment for the fall semester end.

However, their respite was to be only a brief one as it was scheduled to resume Wednesday morning and continue through Thursday.

Elaborate preparations for the opening day enrollment to care for the record number of students were made and even students who had to stand a long time admitted that the system was the best possible to devise.

Instead of a normal enrollment of 650, the college will take care of at least 1300.

Classes Start Friday

Upper-classmen completed their enrollment yesterday with freshmen taking examinations. The "fresh" are enrolling today with emergency students signing up Thursday. Classes start Friday.

Although the opening of school was delayed three weeks to give contractors time to complete emergency housing, the barracks and pre-fabricated houses are incomplete and "super" emergency measures have been taken to house students and faculty.

Bunks have been placed on the floor of the gymnasium and in college hall, a men's dorm. Married vets were told to leave their wives at home as new teachers who are married. The teachers are doubling up with other faculty members until the pre-fabs are ready late this month.

France Proposes Compromise On Trieste Problem

PARIS, Oct. 2.—(INS)—The United States today threw its weight behind a last-minute compromise French proposal designed to solve the ticklish problem of Trieste, chief stumbling block of the Paris peace conference.

After defeat of a Soviet proposal which would have tossed the explosive problem back into the laps of the council of foreign ministers, French delegate Courde Demerville sought to avoid a complete deadlock by presenting the new French compromise.

The new proposal was said to be the direct result of a conference between French Premier-President Georges Bidault and U. S. Secretary of State James F. Byrnes.

Meadville Strike Is Ended Today

MEADVILLE, Pa., Oct. 2.—(INS)—The 95-day strike of 2000 CIO Textile Workers of America at the Meadville plant of the American Viscose company today was ended, the company announced.

Union officials declared that the members of Local, voted unanimously to accept a company offer increasing shift differential pay.

Under the new agreement, effective December 1, workers on the first shift will receive \$1.12 hourly, the second shift \$1.18 and the third shift \$1.23.

IN BAD ODOR

PHILADELPHIA, Oct. 2.—(INS)—Abraham E. Hoberg, of Philadelphia, found himself in bad odor with the law today.

He was held in \$500 bail for court on charges of malicious mischief and conspiracy brought by his estranged wife.

Mrs. Hoberg charged he threw a stench-bomb into her restaurant last Labor day, as part of a plot to drive her to a mental institution.

Irate Citizens Demand Power Strike Be Ended

Immediate Settlement Of
Paralyzing Pittsburgh
Strike Is Public
Demand

NEGOTIATIONS ARE
STILL DEADLOCKED

PITTSBURGH, Pa., Oct. 2.—(INS)—Negotiations between the Duquesne Light Company and its independent union remained hopelessly deadlocked today as irate citizens demanded an immediate settlement of the paralyzing nine day old walkout.

Continuous day and night negotiation sessions between labor and management and federal conciliators thus far have failed to end the strike which has virtually choked off all production in the metropolitan Pittsburgh area.

As U. S. conciliators desperately sought to terminate the power workers' strike, Patrick J. O'Brien, international representative of the Amalgamated Association of Street, Electric Railway and Motor Coach Employees, arrived in Pittsburgh to investigate this steel capital's public transportation tie-up.

The commission agreed, at the insistence of Secretary of Labor Lewis B. Schwellenbach and his aides, to order into effect on all government-owned vessels any terms reached by striking unions with east and gulf coast ship operators.

A statement of the maritime board's position was submitted to both the CIO Marine Engineers and the AFL Masters, Mates and Pilots union whose 25,000 members struck at midnight Monday to idle the American merchant marine for the second time in a month.

The marine engineers already have reached agreement with eastern operators on the controversial union security issue and the AFL union probably will make the same settlement on the No. 1 stumbling block of the current dispute.

This leaves wages and numerous other contract issues to be disposed of, but labor department conciliators believe these points can be adjusted quickly.

The maritime commission then will put the same terms into effect on government ships on all coasts, leaving only the privately-owned vessels of west coast operators not covered by a settlement.

Will Attempt Compromise On Danube River

LAKE SUCCESS, N. Y., Oct. 2.—(INS)—An attempt at compromise with Russia on internationalization of the Danube river was in prospect today as the United Nations Economic and Social Council resumed sessions.

On another score, however—that of establishing and financing an international relief organization to replace UNRRA—there promised to be a scrap, as usual between the western powers and the Soviet bloc.

In an effort at a horse trade to get the Danube temporarily opened to vessels of all nations, U. S. Delegate John G. Winant planned to propose to Soviet Delegate Andrei Penkov that U. S. General Mark Clark's occupation forces in Austria will return some 200 Czechoslovakian and Yugoslavian river craft under certain conditions.

These conditions were: first, that the Soviet occupation forces open the lower Danube to free commerce while the Paris peace conference works out a long-range, permanent adjustment of the situation; second, that in return for this, the United States will not immediately press its demand for a return of some \$55,000,000 worth of American private property which Yugoslavia and Czechoslovakia have nationalized.

How far the United States will get with this proposal was problematical. Penkov already has stated that Russia will continue to sew up the Danube.

Chief Plans To Hold Police School

Police department of New Castle will not be represented at the annual traffic officers training school under way at State College. However, as soon as the civil service commission provides a list of eligibles for appointment and such have been made, a school for policemen will be conducted here, according to Chief of Police Robert D. Hanna.

Police Chief Hanna stated today that all members of the department who entered military service have been honorably discharged and have resumed police work here.

At present there are 14 men serving the city as temporary policemen.

Meat Shortage May Have Political Effect

By FRANK B. ALLEN
(N. S. Staff Correspondent)

WASHINGTON, Oct. 2.—(INS)—Sen. Caphart (R) Ind., forecast today that the meat shortage will unseat all Democratic senators who are running for re-election "north of the Mason-Dixon line."

Caphart added that his sweeping prediction of Republican victories included the "border states" of Maryland, Kentucky, West Virginia and Missouri.

Simultaneously, Sen. Lucas (D) Ill., chairman of the Democratic senatorial campaign committee, declared that the meat situation would hardly make a ripple on the outcome of the November elections, even if it remained acute. He predicted the shortages will ease soon.

Blames Hoarders

Lucas blamed "hoarders" with deep-freeze lockers and "anti-OPA western cattlemen" for the beef shortage.

Failure of congress to extend price controls promptly, Lucas declared, enabled "restaurants, hotels and big night clubs" to purchase heavily for the future and put their meat supplies in deep-freeze lockers.

Lucas added:

"I know of a roadside restaurant operating company with 100 places (Continued on Page Two)

Speedy End Of Shipping Strike Now Forecast

WASHINGTON, Oct. 2.—(INS)—The nation's latest shipping strike appeared headed for speedy settlement today under a plan devised by the U. S. Maritime Commission and top labor department officials.

The commission agreed, at the insistence of Secretary of Labor Lewis B. Schwellenbach and his aides, to order into effect on all government-owned vessels any terms reached by striking unions with east and gulf coast ship operators.

A statement of the maritime board's position was submitted to both the CIO Marine Engineers and the AFL Masters, Mates and Pilots union whose 25,000 members struck at midnight Monday to idle the American merchant marine for the second time in a month.

The marine engineers already have reached agreement with eastern operators on the controversial union security issue and the AFL union probably will make the same settlement on the No. 1 stumbling block of the current dispute.

Chester Mayor Collapses At Banquet Event

PHILADELPHIA, Oct. 2.—(INS)—Mayor Ralph F. Swarts of Chester was reported "resting nicely" in a Philadelphia hospital today following his collapse at a banquet in Philadelphia.

Swarts was seized while attending an affair of the Fraternal Order of Police at Palumbo's restaurant in South Philadelphia.

Attaches at the hospital said the cause of the mayor's collapse had not been ascertained and that he would be detained "for a few days". Swarts is 65 years old.

The mayor had a busy day yesterday when the Chester municipal authority officially informed Chester city council that it is purchasing an inland water supply for the city.

President Truman Plans To Make Two Political Speeches

WASHINGTON, Oct. 2.—(INS)—President Truman expects to make two addresses to the nation bearing upon the November elections.

Both addresses, according to present plans, will be made from Washington. They will be broadcast.

The plans at present are still tentative and subject to possible, though not probable, change. The chief executive at present has no intention of taking to the road and making any barn-storming, speech-making tour on behalf of any particular candidates.

Mr. Truman has been subjected to a barrage of requests for a number of weeks by individual Democratic candidates, many seeking re-election, to come into their states and help their candidacies.

Wallace-Pepper To Stump In Wisconsin

MILWAUKEE, Oct. 2.—(INS)—Wisconsin voters learned today that Henry A. Wallace, ousted secretary of commerce, and U. S. Sen. Claude Pepper (D) Fla. will stump their state for the Democratic party in the fall general election campaign.

Governor Martin Orders Survey Of Meat Supplies

Order Issued In Order To
Determine If State Can
Correct Shortage

WILL DETERMINE
IF MEAT'S HOARDED
(BULLETIN)

HARRISBURG, Oct. 2.—(INS)—A survey of all meat supplies in Pennsylvania was ordered today by Gov. Edward Martin.

He directed Secretary of Agriculture Miles Horst to ascertain the cause of the shortage.

"Our growing children, working men, hospitals and institutions must have meat," the governor asserted. "The present shortage in the country that always has been known as 'the land of plenty' is deplorable."

Probe "Hoarding"

"If meat is being hoarded, we want to know about it and if there is anything the state of Pennsylvania can do to correct the present situation, it will be done," he said.

Agriculture department agents and inspectors will make the survey according to Horst who met briefly with the governor today.

State police will not be directed to participate in the inquiry, it was added.

Admiral Calls For Powerful,
Speedy And Highly Mo-
bile U. S. Navy

HERSHEY ADDS
MILITANT TONE

SAN FRANCISCO, Oct. 2.—(INS)—Fleet Admiral William F. Halsey today called for a powerful, speedy and highly mobile Navy to carry out an atomic counter-attack should this nation ever be involved in push button warfare.

The famed commander of the U. S. Third Fleet which blasted Japan's vaunted navy out of the Pacific, was among the headline speakers to appear before the National American Legion convention, now in its third day at San Francisco.

For Universal Training

Maj. Gen. Lewis B. Hershey, director of selective service, added to the militant tone of the convention by calling for universal military training geared to furnish manpower for a national guard of 650,000 "minute men."

Hershey brushed aside predictions that atomic push-button warfare will demand a smaller army, navy and air force, declared:

"We cannot and dare not ignore the conclusion that to be safe in the future we must train everyone to know what to do to survive."

Others speakers today include Secretary of War Patterson, Undersecretary of the Navy John L. Sullivan, Veterans Administration Gen. Omar Bradley.

Blewitt To Head Forty And Eight

Past Commander Of Perry S. Gaston Post Named Chief De Gare At Dinner Meeting

R. Harold Blewitt, past commander of the Perry S. Gaston post, American Legion, was named chief de gare of Voture 81, Les Societes des 40 Hommes et Eight Chevaux, at their annual election meeting, Tuesday evening. The meeting was preceded by a dinner at the New Castle Field club, 30 of the members being present.

Other officers named were: Chief de train, Jack Gerson, Gaston post; correspondent, Paul A. Kanengiser, of Earl J. Watt post at Bessemer; garde le port, R. Loy Boyd, of Perry S. Gaston post; and commissar-in-charge, Leal B. Calvin, of Perry S. Gaston post.

The appointive officers will be named by Chief de Gare Blewitt at the next meeting, which will take place on the first Tuesday of November.

Worker Crushed To Death By Scrapper

Celebrated Sliver Of Chicken Heart Dies After 34 Years

NEW YORK, Oct. 2.—(INS)—The celebrated sliver of embryonic chicken heart which was kept alive by artificial means for 34 years is dead, the Lederle laboratories in Pearl River, N. Y., disclosed today.

Dr. Alexis Carrel, began the "heart's" career on January 17, 1912, in the Rockefeller Institute. Desiring to prove that tissue could be kept alive artificially he placed the sliver in a test tube and fed it chicken plasmas and extract.

The "heart" doubled in size every 48 hours and had to be pared every week and transplanted to a new culture medium.

Dr. Carrel proved his point at the end of a year but kept feeding the "heart" until it became famous.

Dr. Albert H. Ebeling, who worked with Dr. Carrel on the experiment, ultimately became custodian of the "heart." He kept nurturing the specimen until last May when he retired and left the "heart" to the Pearl River laboratories.

It turned out no one wanted to take care of the "heart" since it was of no further value to science.

The "heart" was dumped into a sink but if anyone wants to start a new one the secret can be found in many textbooks.

Husband, Two Sons Are Sought

Police of Pennsylvania and nearby states have been teletyped requesting them to search for a father and two sons, one 20 and the other 14 years of age who disappeared recently from Butler county although the wife and mother is living here in a trailer.

According to the teletype Mr. and Mrs. Allen Kather and their sons, Robert, 20 and Albert, 14, of Freedom, Pa., arrived September 29 at the Bailey Trailer camp, Butler avenue.

The trailer was cut loose and the family in their Ford V8, Pennsylvania license 3MS23, went to Freeport Road, Butler, R. D. 2 to visit Mrs. Kather's mother.

Her husband told her to make the visit brief and the sons and he would return soon. When he did not return within several hours she telephoned State police here.

Mrs. Kather returned to this city and last night conferred with Chief of police Robert D. Hanna. She said her husband was nervous the result of an injury.

COL. GEN. JODL MAKES APPEAL FOR CLEMENCY

(Continued from Page One)

U. S. forces in the European theater. The appeal was said to include a request that Gen. Eisenhower confer with Gen. Joseph T. McNarney, present European theater commander, and that the latter place the case of Gen. Jodl before the Allied control council in Berlin.

The approach to Field Marshal Montgomery was understood to have been planned through a high-ranking Briton in London.

Aquittals Are Shock

The general shock in Nuremberg military circles over the death sentence meted out to Jodl with 11 others seemed heightened by the acquittal of a trio of men who in German eyes were regarded as far more deeply rooted in the rise of Nazism than was Jodl.

These three are Franz Von Papen, former diplomatic aide, Dr. Hjalmar Schacht, former economic minister and Reichsbank president, and propagandist Hans Fritzsche.

The military circles pointed out that it will seem incongruous in any case to have a signatory of the armistice hanged on the gallows.

Gen. Jodl was one of the signatories for Germany of the unconditional surrender document at Rheims after negotiating the whole affair with American Lieut. Gen. Walter Bedell Smith, then chief of staff to Gen. Eisenhower.

All of the convicted Nazis busied themselves throughout this morning with their lawyers in the corridors of the Nuremberg court house.

Prison Under Guard

Approaches to the prison where the convicted men are held were kept under strict guard.

It was understood that the three acquitted men will remain tentatively in prison until they are able to get transportation to future destinations. This may be arranged today.

Authorities were described as reluctant to risk any "incidents" in the wake of evident ugly reaction to the release of the three men.

The 11 of the 12 condemned to death who are in custody made perfunctory appeals to the Allied control council to save off the gallows. But these prisoners displayed little hope of clemency.

Some of them, particularly the military men and party ideologists, Alfred Rosenberg, are concentrating efforts on securing execution by firing squad rather than by hanging.

HOPE TO FIND 'NIGHT CRAWLER'

North Hill residents in the vicinity of Highland and Moody avenues and Winter and Delaware avenues during the past several days have complained to police of a peeper. Efforts to catch the man have not been successful. However, police have a meagre description of the "night crawler" and hope to effect his apprehension if he continues to crawl up to then peer into windows.

Deaths of the Day

Mrs. Albert W. Allshouse, aged 79 years, wife of Albert W. Allshouse, of 1016 Beckford street, died at her residence this morning at 3 o'clock. She had been confined to bed for the past year.

Mrs. Allshouse, daughter of the late Philip and Mary Ann Ritter George, was born October 19, 1866, in Armstrong county. She was a member of St. John's Lutheran church, Women's Missionary society, Victory Bible class and Ladies Aid of that church. The P. H. and Macabees. She had been a resident of New Castle for 50 years.

Allshouse, all of Youngstown, Miss. Anna M. Allshouse, at home, Mrs. Roy Smith, Clarence A. and Leroy B. Allshouse, all of New Castle.

She also leaves one brother, Charles B. George, New Castle, nine grandchildren and five great-grandchildren.

Funeral services will be conducted Friday afternoon at 2:30 o'clock from the Howard L. Reynolds funeral home, Adams street, with the Rev. A. E. Simon, pastor of St. John's Lutheran church, officiating. The Rev. J. H. Miller, former pastor of St. John's Lutheran church, will assist in the services.

Interment will take place in Gracefield cemetery.

Friends may call at the funeral home this evening and Thursday evening from 7 to 9 o'clock and Thursday afternoon from 2 to 4 o'clock.

Donaldson Funeral Time

Funeral services for Charles E. Donaldson, of 8 East Laurel avenue, will be conducted Thursday afternoon at 2 o'clock from the R. L. Boyd funeral home, North Jefferson street, with the Rev. J. Calvin Rose, pastor of Second U.P. church, officiating.

Interment will take place in Castle View Burial park.

Mr. Donaldson died Tuesday in the Jameson Memorial hospital, where he was confined as a patient since last Wednesday. Death was the result of an illness of four years' duration.

He was born May 17, 1877, in New Galilee. He was employed as general yardmaster of the P. & L. E. Railroad having retired in 1941. Mr. Donaldson was a member of the Brotherhood of Railway Trainmen.

Survivors include his widow, Mrs. Ora Harbison Donaldson; two daughters, Mrs. Edna Collins, McKees Rocks, Pa., and Mrs. Gertrude Widomfield, Newton Falls, O.; one brother, Byron Donaldson, Freedom, Pa., and three grandchildren, Donna, John and Thomas Collins, Jr.

trial even though the Soviet prosecutor had protested against the verdict that Von Papen, former ace diplomat, Dr. Hjalmar Schacht, one-time economics minister, and Reichsbank president, and Propagandist Hans Fritzsche were freed.

The Moscow radio quoted Pravda as saying:

"The Soviet people, all progressive humanity and honest people are satisfied with the verdict of the international court which was unsparing, inexorable, stern and just."

"It is a formidable warning to all who would kindle the flames of new aggression."

Reports from Vatican City said reaction in the Holy See was favorable. The verdicts were declared to correspond with the attitude consistently held by the Vatican that principals and not entire nations should be held responsible for crimes against peace and humanity.

Should Serve As Lesson

One Vatican source said that it was hoped the court decisions would serve as a great lesson in the cause of peace and observance of the laws of humanity.

While many of the convicted Nazis were expected to begin lodging appeals with the Allied control council in Berlin, there remained no official word on which of the defendants would request action by attorneys.

One report from Frankfurt said that former Foreign Minister Joachim von Ribbentrop, Foreign Ambassador Czar Fritz Sauckel and Dr. Arthur Seyss-Inquart would ask clemency.

Others, he said, were completely shut down or operating with skeleton forces. Payrolls in these plants, Booth added, were about 10 per cent of normal.

Many Plants Closed

Earlier officials of the Smaller Manufacturers' association disclosed that more than 200 of its members have closed their plants for the duration of the power strike.

Among the latest manufacturing plants to feel the effects of the power walkout was the National Supply company, one of the world's largest pipe manufacturers, and the Blaw-Knox company, a steel fabricating company.

Meanwhile, a rush on the United States Unemployment compensation office started for jobs pay. Officials said that most of the 75,000 workers forced into idleness are eligible for compensation.

A spokesman said that the power workers must wait for five weeks before they can draw government funds.

Reports of a split within official ranks of the Duquesne union were current. Yesterday Union President George Mueller appeared at a negotiation session with a new negotiating committee.

MEAT SHORTAGE MAY HAVE POLITICAL BENT

in six states that has meat supplies in cold storage sufficient for six to nine months. It normally carries a 30-day supply.

Cattlemen Holding Off

Lucas charged that western cattlemen have been holding cattle off the market as long as possible to create a shortage deliberately and blame it on OPA. He predicted, however, that they cannot hold the cattle indefinitely because range cattle will have to be marketed in large numbers this fall.

Marketing of grass-fed cattle will increase the supply of "ordinary beef," Lucas predicted, adding that "only big hotels, restaurants and night clubs ever get prime corn-fed beef, anyway."

Caphart, predicting that Republicans will control both houses of congress next year, declared that the meat shortage and the "New Deal in general" are "definitely campaign issues."

He called the meat shortage only "a 10 to 15 per cent factor" in what he termed "overwhelming unpopularity over the New Deal"—but added that it provides the additional votes that he predicted will bring Republican victories in so-called doubtful states.

SOVIET BLOC OF NATIONS IS VOTED DOWN ON TREATIES

(Continued from Page One)

commission, Yugoslavia's Moshé Pyade attacked the American plan regarding internationalization of Trieste.

This occurred during debate which finally resulted in defeat of a Soviet proposal, by a vote of 11 to eight, which would have provided that the United Nations security council "assure" the integrity of Trieste.

Pyade came up with a revolutionary proposal, which apparently had Soviet support and inspiration when he told the group that the Trieste problem would become so controverted it could not be decided in commission but should be referred direct to the council of foreign ministers.

This apparently was a move to avoid adverse votes expected not only in commission but in a plenary session of the conference.

City Schools To Expand Hi-Y Club Movement This Year

Two Clubs In Senior High School, Shenango Township Organizing For Winter

Operating on a larger scale than ever before in the history of the movement, schools of the city will sponsor Hi-Y clubs this winter with a broad range of activities.

David Gatrall, boys' work director of the central branch of the YMCA, announced today that the senior high school will sponsor two clubs this season, one embracing the junior and senior classes and one for the sophomore group. David Preston will be the president of the former club, with Mr. Gatrall as counselor. The sophomore club is in the process of organization and will be under the sponsorship of John Thompson, member of the "Y" staff.

Union high school will again have their successful club, with Rex Conti as president. The organization will be sponsored by Bob Cowher.

New Club At Shenango

Shenango township will organize a club for the first time this winter, with Jack Dunlap of the faculty as the sponsor.

Clubs are planned in each of the three junior high schools. Dan Racioppe will act as the sponsor at Ben Franklin, George Washington has not named its sponsor as yet. William B. Schmidt as its sponsor. Council from all these clubs is to be formed, with the presidents of the organizations meeting with the officials of the YMCA from time to time to discuss plans and activities during the season.

Gra-Y club will also be formed in the grade schools, but plans in this direction are of the tentative nature at present.

Swimming Classes

Swimming instruction classes, part of the YMCA national aquatic program, are under way at the branch and will be part of the swimming period. All boys will participate of this instruction and will advance through various stages until they can compete for life-saving certificates.

Gym classes will begin this Saturday, October 5, with the senior activities commencing October 7.

How Much Should A Funeral Cost . . . ?

About one-fourth of the ADULT funerals we conduct cost less than \$250; nearly one-half are between \$250 and \$550.

This summary of the judgment of many local families is perhaps the best guide on the subject of funeral cost. It also is evidence that we can serve any family.

JANE DAVIS WEDS CHARLES A. BOOK

Marked by lovely informality, the marriage of Miss Jane Davis, only daughter of Dr. and Mrs. Emerson Davis of Scotland Lane, to Charles A. Book, son of Mr. and Mrs. C. A. Book of Neshannock avenue, was solemnized in the First Methodist church Tuesday evening before a large assembly of friends and relatives.

Rev. Burr R. McKnight performed the single-ring ceremony by candlelight in front of an altar decorated with ferns, palms and white gladioli. Edwin Lewis, church organist, played appropriate selections preceding and during the service.

The bride, whose father gave her in marriage, was attractive in a two-piece white woolen dress, with a pink feather hat and pink gloves. Her white flowers were attached to her white prayer book. As matron of honor, Mrs. John Young wore a blue wool dress with a blue feather hat, and carried a colonial bouquet of pink and blue. Robert Hutchinson served as best man, with Joseph Davis and Oliver Smith, both brothers of the bride, and John Young as ushers.

Immediately following the ceremony, a reception was held in the church for 130 guests. The table had been beautifully arranged by a group of women of the church, who also served as aides at the reception. For their honeymoon, the bride and groom have left for Florida, where they will spend two weeks at New Smyrna beach. On their return they will reside at Mineola, Long Island, where the groom is in business.

Mrs. Book is a graduate of Union high school and has been employed as a dental assistant in her father's office. Mr. Book graduated from New Castle senior high school and also attended Slippery Rock State Teachers' college. During the war he was a captain with General Patton's third army and had almost three years of overseas service.

JUNIOR READING CIRCLE HEARS TALK

Junior Reading Circle met Tuesday evening at eight o'clock at the home of Mrs. J. Kenneth Atkinson, 140 Park avenue, with Mrs. Thomas Salisbury and Mrs. Donald Allen as co-hostesses.

During business, with Mrs. William Carr presiding, in a report for the welfare committee, Mrs. John Riley announced that two pairs of shoes for needy children were purchased recently.

Mrs. Thomas Salisbury introduced as speaker Kenneth H. Beck of the Bell Telephone company, who gave a very interesting talk on "Sign Language," assisted by Miss Lena Mae McConnell and Miss Audrey Cromie.

In sign language Miss McConnell and Mr. Beck sang as duets, "Near-er, My God, to Thee" and "Now the Day Is Over," accompanied at the piano by Miss Cromie.

Books to be exchanged among the membership for reading during the coming year were distributed. Mrs. Raymond Putman is librarian.

Next meeting will be November 5, to be a musical, with the place to be announced. Hostesses will be Mrs. Alfred Hyde, Mrs. Harry Lockley, Mrs. Kenneth McClure and Mrs. Scott Lowery.

RUTH M. MILLER SHOWER HONOREE

Miss Eleanor Warnock of 512 Norwood avenue entertained a group of friends in her home Tuesday evening at a delightful party in honor of Miss Ruth Marie Miller, bride-elect of this month.

Games were enjoyed earlier in the evening. Later Miss Miller was the recipient of a shower of attractive gifts of a miscellaneous nature to be used in her new home.

Dainty refreshments were served at the close of the evening in the dining room at a table centered with a beautiful arrangement of baby mums, bluebells and roses and white tapers. Miss Warnock was aided in serving by her mother, Mrs. Herbert G. Warnock, and sister, Miss Donna Jean Warnock.

Miss Miller, daughter of Mr. and Mrs. William I. Miller of 510 Edgewood avenue, will become the bride of Charles C. Robinson of 433 Edgewood avenue, at an open church ceremony to be performed Saturday evening, October 12, at 7 o'clock in the First U. P. church.

MISS MURL SMITH HONORED BY CLASS

Coming as a total surprise, Miss Murl Smith, resident of the Y. W. C. A. was honored on her birthday Tuesday evening at the Y. W. C. A. when 34 members of the Nellie Constance Bible Class of the Alliance church, 210 Pearson street, of which she is teacher, met at the "Y" to help make the occasion a memorable one for her.

The group had arranged a short program, which consisted of group singing, a solo, by Mrs. Irene McIlraith; trio numbers of Mrs. Vella Russell, Mrs. Alberta Rigby and Mrs. Ethel Hanna and an interesting talk by J. H. Boon.

Miss Smith was the recipient of a lovely gift from the class as a token of esteem. To honor a former member of the class, Mrs. Vella Russell of Los Angeles, California, the ladies presented her with a shower of handkerchiefs.

At the conclusion of the evening, lunch was served by the committee. L. E. Simon Relief Corps No. 11 met Monday evening in the Trades & Labor Assembly hall for a special meeting.

Members voted to change the regular meeting night to Wednesday, Wednesday evening at 8 o'clock there will be practice for inspection.

During the social hour after business prizes for games went to Mrs. Diana Harper, Mrs. Nettie Dute, Mrs. Rebecca Strong and Mrs. Florence Hoover.

Mrs. Martha Carr, Mrs. Nettie Dute and Mrs. Mary Freed were the social committee. Several officers of the corps plan to attend the district meeting at Albion on Thursday. It was announced at the meeting.

"LIMERICKS" TOPIC FOR POETRY GROUP

October appreciation meeting of the Poetry Group took place Tuesday evening in the public library with Miss Alice Sterling, program chairman, in charge.

Mrs. George Henderson taught the lesson on limericks and discussed this form of verse. A paper on Carolyn Wells, with a biographical background and some limericks from the anthology compiled by her, and in addition, some of Miss Wells' own limericks were read by Miss Betty Gray.

Original poetry submitted by members of the group was read and criticized by Miss Sterling, who also gave readings from "The Practical Cogitator" by Charles G. Curtis and Ferris Greenslep.

Miss Allura Leslie presided over business and announced her gift of an unabridged dictionary to the group.

Mona Gray Stoner, of Portersville, presented a copy of her second volume of poems, "Beyond the Stars," to the Poetry Group. One of Miss Leslie's poems has been accepted by New England Home, it was announced.

Roll call was answered by a current event or publication in poetry. October 17 is the date of the workshop meeting at the library when members will discuss and write limericks.

FEDERATION JUNIOR CLUB TO OPEN YEAR

Federation Junior club will open its club year with a dinner-bridge at an inn in New Wilmington on Thursday evening at 6:30.

It will be in the form of a reception for new members with the following social committee in charge of arrangements: Mrs. Norman A. Headlund, Mrs. Robert T. Patton, Mrs. William J. Gibson, Mrs. Marshall G. Matheny, Mrs. Wilbur A. Poth and Mrs. G. Ward Whitaker.

At a meeting of the executive board of the club at the home of Mrs. E. D. Marvin, East Leasburg avenue, Tuesday evening, reports of the committees in charge of the children's play project indicates an enthusiastic reception here for the presentations of the Pittsburgh Children's Theater during the coming season.

"Little Lee-Bo-Bo, Detective for Chinatown" will be the first play in a series of four and will be presented here on Friday evening, October 18, in the senior high school auditorium.

OPEN HOUSE WILL HONOR NEWLYWEDS

Mr. and Mrs. Clarence E. Armstrong, of 5 West Garfield avenue, will hold open house Saturday evening for their son, C. E. Armstrong, Jr. and his bride, the former Ruth Lau, of Pottstown.

Hours will be 7:30 to 10 o'clock. Mr. and Mrs. Armstrong, Jr., are on their honeymoon following their wedding September 21 in Harrisburg. They will make their future home in Akron, O.

Charge Sabotage In Power Strike

PITTSBURGH, Oct. 2.—(INS)—The strike-bound Duquesne Light company today charged that a complete power shutoff last night in nearby Clairton and the borough of Wilson was an act of sabotage.

Company officials reported that a rope was thrown across a 20,000-volt transmission line serving the communities, causing power lines to burn out. An estimated 18,000 residents of the area were without electricity for 40 minutes before the supervisors were able to restore service.

Records Being Broken In Lawrence County Court By Divorce Applications

OTHER NEWS OF COURT HOUSE

Romance seems to be a two-way street in the Lawrence county court house. There's the inbound traffic, where starry-eyed youngsters walk in and get the license which is presumed to join them "until death do you part". And then there's the outbound traffic where they walk out unfettered by the chains of marital life, the divorce court.

This has been a big year for marriage licenses, but it has also been a big year for the divorce court. Records for divorces per month have been broken twice and may yet be broken again. In September 47 cases of blighted romance were heard, with a heavy list building for October.

Divorces Asked

The following cases have been filed with the probate and clerk of courts, John A. Edgar. Three causes cover them all, cruel and barbarous treatment, indignities to person and desertion.

Pauline Wise of 1206 Highland avenue asks a divorce from Charles Richard Wise of 305 Highland avenue upon the grounds of indignities to person and desertion. They were married August 14, 1943, in Tampa, Fla.

Students Numbering 150 In Attendance At Jewelry School

Numerous Brother Teams Receiving Training At Training School On Pearson Street

With the addition Tuesday, October 1, of 28 new students, the total enrollment of the New Castle jewelry training school has jumped to 150, according to an announcement today by Paul J. Chubbison, operator of the school.

A reporter touring the school on Tuesday afternoon found a beehive of activity in the former Aiken school building on Pearson street. Every student in the school was busy in some constructive work, such as the manufacture of rings, bracelets or ear rings, from the metals that are supplied them from the school's stock room.

Come From Wide Area

In the new contingent of students that arrived at the school Tuesday was one student from far off Alabama, with other students coming from a radius of 300 miles of New Castle.

Interesting to note were the brother teams that are seeking the knowledge of the manufacture of jewelry. Among the numerous brothers a reported noted at work were Don and Leslie Kemp, Bob and John Grooms of this city and Jack and Kenneth Morrow from Sharon.

The school's only female students, Little Smeraglia, aged 23, and her friend, Julia P. Carres, aged 24, former WAC sergeants of Sharon, were busily engaged in making ear rings. One set just completed by Miss Carres was proudly displayed.

William Kassel, an engraver of the United States of Washington, D. C., has arrived to take over the school's engraving department, expected to open in a few days. Mr. Kassel has engraved several articles for General Eisenhower and has work on display at the Roosevelt estate in Hyde Park.

On November 1 an additional 50 men are expected to enroll at the school, bringing the enrollment up to 200, with 10 instructors on the faculty. Recreation rooms and a cafeteria are in process of construction at the present time.

The school, which is approved by the Veterans Administration, was opened June 3, 1946, after eight months of preparatory work by the officials of the school.

If Stomach Gas or Sour Food Taste Robs You of Sleep

Here's How You May Help. Whether You Eat 500 Pounds or 2000 Pounds of Food In a Year

You can't feel cheerful, be happy and sleep well, if your stomach is always upset. As age advances, the "old stomach" needs more help. The reason is this: Everytime food enters the stomach a vital gastric juice must flow normally to break-up certain food particles, else the food may ferment. Sour food, acid indigestion and gas frequently cause a morbid, touchy, fretful, peevish, nervous condition, loss of appetite, underweight, restless sleep, weakness.

To get real relief you must increase the flow of this vital gastric juice. Medical authorities, in independent laboratory tests on human stomachs, have by positive proof shown that SSS Tonic is amazingly effective in increasing this flow when it is too little or scanty due to a non-organic stomach disturbance. This is due to the SSS Tonic formula which contains very special and potent activating ingredients.

Also, SSS Tonic helps build-up non-organic weak watery blood in nutritional anemia—so with a good flow of this gastric digestive juice, plus rich red blood you should eat better, sleep better, feel better, work better, play better.

Avoid punishing yourself with over-doses of soda and other alkalis to counteract gas and bloating when what you so dearly need is SSS Tonic to help you digest food for body strength and repair. Don't wait until the host of happy people SSS Tonic has helped. Millions of bottles sold. Get a bottle of SSS Tonic from your drug store today. SSS Tonic helps Build Sturdy Health.

Local Mail Carriers Walk 9 Miles Daily

Nine miles a day... 58 or 59 miles a week... 3,016 miles a year... and some of New Castle's mail carriers have been on the job for 30 years or more.

Mont. Forney started delivering letters on May 15, 1914; Carl Weide on April 1, 1916; and Walter Hindman on July 20, 1916. The two real veterans at the job, George Wendt and Ben McCann, reported for their first day's work the same day, November 15, 1912.

More Than Walking

A postman's job takes about seven hours and 45 minutes each day. Besides delivering the mail, he has the preliminary job of "casing it" — a term the post office uses to mean that the carrier gets his letters in order so that he doesn't have to rely on a grab-bag technique.

Of course, the carrier can't always put all of the literature, letters and pretty picture post cards in his bag at the same time, or he would be loaded down with at least 300 pounds and maybe more. As a compromise, a truck dumps off bags of mail at conveniently-placed boxes along the route, to which the carrier circles back for his next load.

Not all postmen have the long hikes that are characteristic of residential sections. Older men—seniority counts here—have the opportunity to take a downtown route in the business section where they can ride the elevators up and down buildings delivering business letters in offices. This job calls for three trips, however—which means that it's not a snap even if the route just includes two streets of three to five story buildings.

Taken For Granted

Most people take mail carriers for granted; it seems just as logical that a letter should be delivered as for water to come out of a faucet. But the postal service is far from automatic—at least 12 persons

IS EPILEPSY INHERITED? WHAT CAUSES IT?

handle a letter going from here to Pittsburgh, and almost that many would handle it if it were just going from the post office to a building across the street.

And of all the people who handle it, the mail carrier has it in his possession the greatest period of time... nine miles a day... 3,016 miles a year he walks with your letters... and unless it's a love letter or a letter on which your business depends, that's a lot farther than you would walk with it.

Hannegan-Truman Have Conference

Chairman Of Democratic Party
Talks With President Before
Flying West

WASHINGTON, Oct. 2.—(INS)—Robert E. Hannegan, chairman of the Democratic national committee, conferred with President Truman Tuesday prior to flying to Los Angeles to speak Thursday night before a Democratic rally sponsored by James Roosevelt, eldest son of the late president.

Hannegan said he talked to the president about "politics in general" and that his estimate of the Democratic chances for sweeping victories in the November election was "encouraging."

The Democratic chairman was again asked if President Truman might make a political speech in New York prior to November 5. He said that the president had not "closed the door on any outside speeches" but had none scheduled. He said:

"I think he might make talks, maybe in New York, maybe in lots of places. After all, there is an election coming up. As far as I know, however, he has not committed himself to any outside speeches."

St. Petersburg and Pinellas county, Florida, don't want oil wells because they might jeopardize the communities' status as a national playground—and they don't need the money.

U. S. To Remain In Korea Until Goal Is Reached

WASHINGTON, Oct. 2.—(INS)—Acting Secretary of State Dean Acheson on Tuesday reiterated United States determination to remain in Korea until a "united independent Korea" has been brought into being.

Acheson made his statement at a news conference in which he expressed United States disappointment at Soviet refusal to revive the joint Soviet-American commission which it abandoned after a deadlock over policy several months ago. Lt. Gen. John R. Hodge, commander of the United States forces in Southern Korea, plans soon to again approach the Soviet government on reviving the commission and added: "We must be patient and persevering in reaching a solution of this problem."

Chinese Communists Urge United States To Take Out Troops

SHANGHAI, Oct. 2.—(INS)—Communist Gen. Chen En Lai demanded immediate withdrawal of American troops from China.

He intimated that the Nationalist government of Generalissimo Chiang Kai-shek had on hand only six months of American supplies and that if the United States announced that no more were forthcoming, Nanking would adopt a different attitude toward negotiations for peace in China. Chou contradicted Adm. Charles M. Cooke's statement yesterday that the U. S. navy had transported 250,000 Nationalist troops, insisting the figure should have been 440,000.

Alternating current is used in more than 95 per cent of the electricity consumed annually in the U. S.

DOMESTIC SCIENCE COURSE FOR BRIDE-TO-BE

"A friend and I had a discussion on the advisability of preparing daughters for marriage. I say it is unnecessary and that when a girl is ready for housekeeping she will soon learn the technique. My friend disputes this idea. She thinks that girls should have at least a rudimentary knowledge of domestic science—at least and other intricate items of housekeeping. What is your opinion?"

Answer: I know many women who are excellent cooks and housekeepers but who never studied domestic science or had any experience with these arts before marriage. These, however, are a success despite, not because of, their lack of training. Ordinarily, the knowledge of being a good homemaker is not congenital but rather acquired as the result of effort and instruction.

A girl starting on a career as a dancer or a secretary is given extensive training in her life's work. Yet a mother will let a girl start out on a housekeeping career with no knowledge of money values or dietetics. So that the poor man must for awhile endure financial and digestive troubles. More marriages are wrecked through money arguments than through any other difficulties; yet with a little domestic and financial responsibility before marriage, a girl is enabled from the start to handle her daily problems with intelligence and assurance.

Even a business girl who is used to spending her money on her personal desires should be given instruction on budgeting out money in small portions to fit the family income. For cash, like ration points during the war, must spread over a definite period; otherwise disaster will result.

Question: I received an invitation to a church wedding which I cannot attend. Should I write to the bride and should I send a gift to her. If a gift is necessary, should it be addressed to the bride only?

Answer: If you were invited to both the ceremony and the reception, you must both reply in either the affirmative or the negative and you must send a gift whether or not you attend. If the invitation was to the church only, you need not reply nor send a gift.

THE PARENT PROBLEM

(Continued from Page Four)

mother just steps into another room for a few minutes. Of course, this experience of his does have some tear in it. He certainly feels insecure while he cannot see her then. He does until she gradually weans him and lets him harden into being comfortable while out of her sight. There's the tot who for months has had his mother stay in his room with him after he is put to bed till he falls asleep. Should she attempt to leave him earlier, he will cry bitterly and evince signs of fear. Because he will it is hard for her to muster up the courage to settle the matter once and for

all time by letting him cry it out; and the longer she delays this ordeal the more emotionally upset he will be at bedtime if she tries to leave him.

Any sudden loud sound or shock tends to prove more severe to the child so dependent than to the one more self-sufficient.

Physical Pain

The same principle applies to his fear of physical pain from the ordinary bumps which come to any child. So, also, the more dependent he is on his mother, the less ready he will be to bear stoically the bit of pain from the doctor or dentist (when he is two or sixteen).

See, moreover, how this principle applies to the bumps and the like he may get at normal play with other children. Over-tied emotionally to his mother, he runs quickly

to her when he is hurt physically or otherwise.

What is more, in all such situations, the mother has keen inward pain when he is hurt and she naturally reveals to him that she has. Her being over-tied to him tightens the apron strings which already hamper him.

It is manifest, therefore, that the more self-reliant physically and emotionally the growing child can become, the fewer fears, as a rule, he will have and the more happy and likable person he will be.

Able Leaders On Program For S.S. Convention Here

The 84th annual convention of the Pennsylvania State Sabbath School association, which has its opening session Tuesday evening, October 8, will have outstanding speakers and Sunday school specialists, and every session will contain both inspiration and instruction.

The program for Tuesday night, October 8, and all day Wednesday, October 9, has already been run in this paper. Thursday morning, October 10, Dr. A. Monroe Hall, vice president of Williamsport, will preside and the devotional period in charge of Dr. Edgar C. Smith, of Philadelphia, will start. Dr. Clyde W. Meadows, of Chambersburg, will be in charge of the singing. There will then be recognition to counties for attainment and growth and introduction of field staff of state association. Special music will be furnished by Rev. D. L. Ferguson and Samuel Lewis of the Highland U. P. church. The message of the morning will be brought by George E. Lundy of New York and the closing prayer and benediction will be delivered by the Rev. J. N. Rainey, pastor of the Central Christian church.

There will be a reception and tea at 4 o'clock, honoring Dr. and Mrs. Ivan M. Gould and Mr. and Mrs. Ira C. Sassaman, and this will be held in the ball room of the Cathedral and all delegates are invited to attend. Mrs. Frank H. Steen of Belle Vernon will be in charge for the state association, and the chairman of the reception committee, Mrs. Grace Phillips Johnson, will have charge for New Castle and will handle all of the local arrangements. This reception will last until 6 o'clock.

Thursday evening Mrs. Clifford S. Heinz, director, of Pittsburgh, will preside, and there will be devotional singing and assembly singing in charge of Dr. Meadows. Special music will be furnished by the New Castle Senior High school a cappella choir, with Robert A. Duff, conductor, in charge. There will then be an interpretation and demonstration in visual education by Prof. James S. Kinder, Pittsburgh. The hymn, "O Master Let Me Walk With Thee" will then be projected and the closing prayer and benediction will be by the Rev. George R. D. Braun, pastor of Epworth Methodist church.

Woman Charged With Posing As Wife Of Two Men

PITTSBURGH, Oct. 2.—(INS)—Mrs. Rose E. Schubert, 30, of Homestead today was under \$500 bond to the U. S. commissioner pending a hearing on charges that she collected \$2,050 under the servicemen's dependents allowance while posing as the wife of two former sailors.

Mrs. Schubert allegedly received \$1,260 while posing as the wife of former Seaman Hilman O. Moen, the commissioner said. She later allegedly received \$850 by posing as the wife of former Seaman James E. Joy, he added.

Mrs. Schubert was arrested by FBI agents at her home after a federal grand jury in Seattle, Wash., returned an indictment against her.

PLANE CRASHES

AFTER TRIP WITH TEN NEWSMEN

GLENVIEW, Ill., Oct. 2.—(INS)—A Navy transport plane which flew 10 newsmen and radio network representatives to Columbus, O., for the arrival of the record-smashing, non-stop bomber, "Truculent Turtle," is a mass of wreckage today at Lambert Field, St. Louis.

The Glenview Naval air station announced that the craft was demolished last night as it attempted a landing at the St. Louis field. The four crew members escaped injury. After flying the newsmen to Columbus, the plane took off for St. Louis to pick up Admiral George D. Murray, commandant of the Ninth Naval District.

Naval officials said the hydraulic brakes failed while the plane was landing and the craft ran the end of the runway.

STRIKE TIES UP ERIE NEWSPAPERS

ERIE, Pa., Oct. 2.—(INS)—Publication of three Erie daily newspapers was suspended today as a result of a strike called by members of the International Typographical local in Erie.

The dailies affected by the walk-out were the Times, the Dispatch-Herald and the Morning Sun.

According to the publishers the

strike came without warning and followed what apparently was a peaceful negotiation for a new contract.

W. B. A. Review No. 98

Woman's Benefit Association Review No. 98 met Monday evening in the I. O. O. F. hall for a business meeting.

Mrs. Helen McKinley presided over discussion of plans for the national convention. Members of Review No. 98 who plan to attend the convention in Miami, Fla., October 21-26 are Mrs. Ethel Thomas, Mrs. John Earl and Mrs. Katherine Arblaster. They will leave October 14.

Door prize of the evening was won by Mrs. Nell Knox.

Next meeting will be Monday evening, October 7.

S. of D. Society

S. of D. Missionary society members of Central Presbyterian church assembled Tuesday evening in the church parlors.

Mrs. Samuel Hague was leader, while Mrs. W. Leslie conducted devotionals.

The topic of the evening was presented by Mrs. C. Holmes. Mrs. Oscar Rhodes reviewed two chapters of "African Logs".

Refreshments were served later by Mrs. Ethel Anderson, Mrs. S. Anderson and Mrs. O. McNeese, hostesses.

The group will meet again Tuesday evening, November 5.

PROTECT YOUR CAR AGAINST CORROSION

Just is only one of several actions trying to destroy your car underhandedly. The corrosive effect of road salts and the abrasive action of flying gravel are also extremely destructive. Even in normal times it would pay to armor the underbody of your car with 3-M Underbody Protective Coating. It is a hundred times more important today when so many metal parts are irreplaceable.

NELLIE LALLY BRIDE OF REGIS P. DORAN

In the rectory of St. Mary's church, Miss Nellie Elizabeth Lally, daughter of Mr. and Mrs. Joseph H. Lally, of 1019 Maryland avenue, became the bride of Regis Paul Doran, son of Mr. and Mrs. Edward Doran, of 942 Marshall avenue, at a double ring ceremony performed Monday evening at 6:45 o'clock.

Rev. Francis P. King officiated in the presence of the immediate families.

The bride wore a blue gabardine suit with brown accessories and an orchid corsage. Her only jewelry was a pearl necklace and matching earrings, gift of the groom.

As matron of honor her sister, Mrs. Walter H. Jessel, wore a salmon colored crepe street-length dress with brown accessories and a corsage of Tulsipar roses.

Her sister-in-law, Mrs. John W. Lally, as bridesmaid, wore a green wool suit with brown accessories and a corsage of pink roses.

David Doran, recently discharged from the U. S. Army, served his brother as best man.

Following the ceremony there was a reception at the home of the bride's parents for 35 guests. A tiered wedding cake centered the refreshment table.

Aides were Mrs. Thomas Covert, Mrs. Charlotte Conley, Mrs. Elmer Seaton, and Mrs. John Lally.

The newlyweds left on a wedding trip to Washington, D. C., and New York City and will be at home after Saturday in their newly furnished apartment at 829 East Lutton street.

Mrs. Doran, a graduate of New Castle high school, has been employed in the office of the Aluminum Company of America plant.

Mr. Doran, who received an honorable discharge from service with the U. S. Navy, is employed by the B. & O. R. Company.

Real Estate Men Holding Election, Adopting Program

HARRISBURG, Oct. 2.—(INS)—The Pennsylvania Real Estate Association was scheduled to adopt a legislative program and elect officers today during the closing session of its 26th annual convention at Harrisburg.

Milton M. Strouse, of Harrisburg, chairman of the legislative committee, was slated to present legislative recommendations to the delegation while resolutions and nominating committees will report prior to adjournment.

The chief speaker for the third day's conference was slated to be Arthur W. Binns, of Philadelphia, president of the National Home and Property Owners Foundation. He was expected to discuss his organization's activities in pushing national legislation favoring property holders.

Franklin County Judge Edmund C. Wingerd, of Chambersburg, president of the Pennsylvania Bar Association, will speak on Attorney-Realtor Relationships while Roy Wenzlick, St. Louis, Mo., economist, will scout the future for real estate and construction.

The 260 delegates were told yesterday by Boyd T. Barnard, of Philadelphia, president of the National Association of Real Estate Boards, that rent controls were one of the causes of the housing shortage. Veterans have found "underpriced" housing tightly held—much of it frozen by OPA into wasteful use, he charged.

Downtown Guide Prepared By GNCA

Prepared for the convenience of visitors to the city, a downtown guide has just been printed by the Greater New Castle Association. Done in blue, golden rod and silver it is an attractive folder and includes a map of the downtown section, a thumbnail director of points of interest and a welcome.

As conventions meet here, the name and date of the convention will be printed on the folder and presented to delegates. A large number of them have been prepared for the Pennsylvania State Sabbath School Association which meets here October 8 to 11.

The new folder supplements the map recently by the association. These maps have proven popular and hundreds have been sent out from the GNCA offices. The maps are priced at 25 cents each to cover cost of printing.

The folders are given to visitors to the city.

CHARGES MILLION POUNDS OF MEAT HELD IN BUFFALO

BUFFALO, N. Y., Oct. 2.—(INS)—Thomas J. Reese, district OPA director said today that more than one million pounds of meat, roasts and chops are being held in three of Buffalo's storage warehouses.

He said 57 other warehouses in the city would be visited by OPA agents to see how much meat they were holding.

A large percentage of the meat is owned by hotels, packing houses, restaurants and retail stores. Reese did not comment on his announcement except to say: "Draw your own conclusions."

Jefferson Barracks, Mo., is the oldest army post west of the Mississippi river.

MOVE ORDNANCE COMPANY OF GUARD TO CHAMBERSBURG

HARRISBURG, Oct. 2.—(INS)—Transfer of the 728th Ordnance Maintenance Company of the Pennsylvania National Guard from Altoona to Chambersburg was announced today by Maj. Gen. E. J. Stackpole, PNG commander.

Stackpole said the proximity of the Letterkenny Ordnance Depot near Chambersburg was "a major factor in the decision to change the home station of the outfit."

He explained that the company which will maintain the division's hundreds of vehicles and thousands of weapons would be formed from skilled mechanics and specialists working at the depot.

Ten officers headed by Lt. Col. John E. Remmel, of Chambersburg, and 113 enlisted men ultimately will form the company.

Remmel's first goal, Stackpole said, will be the procurement of a minimum of two officers and 14 enlisted men as a prerequisite to federal recognition by November 1.

Attorney F. Moretti Addresses Wolves

Local Attorney Speaks To Civic Organization At Tuesday Dinner-Meeting At The Castleton

Attorney Frank O. Moretti addressed the Wolves club at their dinner-meeting held at The Castleton Tuesday evening.

Attorney Moretti stressed the importance of the club's service in the community and urged the members to render aid to all civic enterprises at all times. "Continue the good work," he said, "and expand all activities of the club."

Program Chairman William DeCarbo announced the fall smoker on October 23, and a ladies night to be held on November 5.

James L. Scarazzo and Anthony N. Carbon reported the gaining of membership for the GNCA, being the representatives of the club. Mr. Carbon is the representative of the Community Chest and reported on the board meeting held recently.

Lapel pins of the club were distributed and the meeting adjourned for the first game of the bowling league. Enthusiasm for the league is being shown by all members and this year's league will prove an interesting one.

October 15 is the next meeting.

YOUTH RALLY TICKETS HERE

The tickets to be worn by the young people at the youth rally Wednesday night in connection with the 84th convention of the Pennsylvania State Sabbath School association, have arrived and Mrs. H. F. Barber, county young people's superintendent, has them for distribution.

An effort will be made next Sunday to get as many of these tickets to the young people of the churches and youth organizations as possible. However, it is to be remembered that all young people are invited to be present Wednesday night, October 9, and if they have not received a ticket which will entitle them to free admission, a ticket will be handed them at the door. A special section has been reserved for all young people.

Sunday school superintendents will receive information sheets telling about the inspirational program that has been provided. Men and women, boys and girls of all ages, are also invited as the messages and singing by the Millheim Girls' chorus and Ellwood City Young People's chorus, will be highly appreciated by all who attend.

FBI Conference Here Thursday

Federal Bureau of Investigation will conduct a law enforcement conference Thursday night in city hall, according to Chief of Police Robert D. Hanna. Police officers from Beaver, Mercer and Lawrence counties will attend. The conference will be in charge of Special Agent Fletcher in charge of the Pittsburgh office of the FBI, according to Chief Hanna.

FIRST SNOWSTORM GOES OUT TO SEA

ALBANY, N. Y., Oct. 2.—(INS)—The first snowstorm of the season whirled out to sea today after scattering snow and sleet on upper New York state, Vermont and New Hampshire.

Areas in New Jersey, Pennsylvania and Maine also were hit by the storm which rolled down from Canada.

The storm hit the Adirondacks with full fury and left snow twelve inches deep. Syracuse reported half-an-inch of snow. Malone, N.Y., experienced below freezing temperatures and eight inches of snow fell.

The French settled in New England before the Pilgrims.

APPEAL IN VAIN TO HALT DEATH OF OLD RAILROAD

PHILADELPHIA, Oct. 2.—(INS)—An appeal by residents of 21 New York communities to halt the death of the Pittsburgh, Shawmut and Northern Railroad company, stood dismissed today by the third U. S. court of appeals.

The railroad, which has been in the hands of a receiver for more than 40 years, had applied to the Interstate Commerce Commission for permission to discontinue its operations, upon the orders of the federal district court at Pittsburgh.

The dismissal came after company attorneys said further delay in halting operations would result in "irreparable loss" to the road.

A net cockatoo owned by Mrs. R. Middleton of Victoria, Australia, laid an egg at the age of 80.

Cordell Hull Issues Appeal On Birthday

WASHINGTON, Oct. 2.—(INS)—Cordell Hull, "father of the United Nations", marked his 75th birthday today in a almost hopeless fight for life at Bethesda naval hospital where he summoned his waning strength to urge the world to prevent rule "by stark terror and brute force".

The Tennessee mountain boy who rose to become one of the world's great statesmen, issued a call for national and international unity from his sickbed as his life appeared to be ebbing away.

Only a few hours after suffering a cerebral hemorrhage Monday night which aroused in his intimates the fear that he was near death.

The naval hospital, where he went three weeks ago for a regular check-up, said Hull's condition became more serious Tuesday. A navy bulletin issued last midnight reported no change.

Mrs. Hull, with whom the former secretary of state talked early yesterday, spent most of her time at his side. She has done so every day that he has been confined following his resignation two years ago.

BRIEF OPINION

LONDON, Oct. 2.—(INS)—The comment of Gen. Dwight D. Eisenhower, United States Army Chief of staff, on the war crimes verdicts was brief.

Arriving at Prestwick airport on his return from Germany, the man who was Allied supreme commander during the war signed and said:

"Ah! That Von Papen, he gets out of everything."

Around Hollywood

By JOHN TODD

International News Service Staff Correspondent

By JULIAN HARTT
(I. N. S. Staff Correspondent)

HOLLYWOOD, Oct. 2.—Director Spencer Bennett was first enticed into movies for a brief role in an early silent film called "A Moment of Madness"—and hasn't had a sane one since.

Your reporter tip-toed warily today into that section of Republic studios where a slightly wild-eyed little gang of people turn out four serials a year, beating their brains out daily to get a chapter a week, 52 weeks a year, of Hollywood's hottest action on film.

There we found Bennett, who is one of the key wheels in this tightly-gear'd outfit and has been directing the "cliff hangers" for years. Before that, he began by acting in them, and can tell you the physical strain is as tough on one side of the camera as the other. He said:

Takes More Than One

"One director alone cannot make a serial these days, on the schedules we have to keep to show a profit. Two directors handle each serial, and direct the actual shooting on alternate days."

Across the desk was Bennett's directorial partner, Fred Brannon, on Republic's forthcoming 12-chapter epic, "Jesse James Rides Again." In just 26 working days they will shoot enough film to run more than 260 minutes on the screen. Every shot is super-planned in advance, and they will jam in 40 to 50 shots per day, Bennett continued.

"Keeping in shape is even more important to the director than to the actors—the actors can rest when they're out of a scene or two; we're busy with every one. That's why I shoot one day and Fred handles the shooting the next. And on my 'day off' I'm checking over the sets and making plans for the

following day's work, when I go back behind the camera."

Jesse Rides Again

"Jesse James Rides Again" is one of four titles the Republic biggies handed Producer Mike Frankovich for his year's work. That, by the way, is exactly all they handed him—just bare titles which they think will be salable to the Saturday matinee crowd.

Frankovich then went into a huddle on the first one with his four writers—Basil Dickey, Jesse Duffy, Sol Shor and Franklin Adreon. Together they worked out the worst possible situations in which to leave their leading characters at the end of chapters—one has the heroine hanging head down over a cauldron of boiling oil while a caged ferret gnaws at the rope—and then figured out a plot to bring them to the brink of the various near disasters.

Each writer took a chapter.

And while the system may seem whacky, Republic stockholders are happy to keep things as pleasantly crazy as they are right now—especially since a recent serial grossed \$2,000,000, which is as much as five typical "B" pictures and costs less to make than any one of them.

Largest Group Of Missionaries Goes To Orient

SAN FRANCISCO, Oct. 2.—The American President liner, Marine Rex, is en route to the Orient with 435 Protestant missionaries, largest group of Christian missionaries ever to leave the United States at one time for foreign duty.

About 300 were going to China and the rest to the Philippines. Dr. Horace W. Ryburn, western representative of the foreign missions conference of North America, said all in the group which sailed from here Sunday were veterans. Many had been held prisoner by the Japanese during the war.

They are returning to rebuild churches, schools, hospitals, engineering and agricultural projects. Also aboard the liner were 250 Chinese technicians, trained in the United States, who will help rebuild their war-torn country.

Two Children Die, Nine Injured In Wilkes-Barre Fire

WILKES-BARRE, Pa., Oct. 2.—(INS)—Two children were burned to death today and nine persons were hurt when flames swept three homes in Wilkes-Barre.

The victims were identified as Florence Rebo, five, and her brother, Jack, six.

The injured included their parents, Mr. and Mrs. John Rebo, and two other children, Diane, 20 months, and Jerry, three months. Physicians at Homeopathic hospital said the four are in serious condition.

Five firemen were burned slightly in rescuing the Rebos and occupants of the other houses.

Deputy Fire Chief Stanley William said the blaze, of undetermined origin, started shortly after midnight.

Governor Signs Pardons For Six

HARRISBURG, Oct. 2.—(INS)—Six men today had pardons approved by Gov. Edward Martin upon recommendation of the state pardons board.

In addition, Governor Martin commuted the sentences of 21 other men whose cases were presented before the board at the June session. The board rejected 138 appeals and held three under advisement.

Cases of Joseph (Big Joe) and Philip Bruno, former Schuylkill county Republican leaders serving life terms for their part in the 1934 election eve slaying of five Democratic candidates at Kearsy, still were held under advisement.

"Big Joe's" last plea was presented in March, 1944, while his brother's appeal was submitted in November of the same year.

Local Girl Accepts Airlines Position

Mr. and Mrs. George R. Cole, of 1034 Adams street, have received word that their daughter, Miss Ruth E. Cole, has arrived safely in Dallas, Texas, where she has accepted a position with the Braniff Airways.

At present she is working in the radio room of the air line.

Miss Cole graduated with the class of 1943 in the New Castle high school and for the past three years, she has been connected with the local Western Union.

Court Puzzled By Four-Day Burglary

PHILADELPHIA, Oct. 2.—(INS)—The state superior court today wrestled with the meaty problem of whether a burglary that took place over a four-day period constituted one or four offenses.

The problem concerned the conviction of Leon Hellner, who was

found guilty of breaking into Kasser Distillers Products Corp., Philadelphia, and substituting his own padlock for a U. S. Customs lock on the door.

Hellner, who had two accomplices, allegedly carried alcohol away from the warehouse on four successive days, locking the door behind him each time.

He was sentenced to two to four years for each of the four times he broke into the building.

Hellner's attorneys, however,

claim that it was all one "job," and therefore rated only one sentence. "The fact the sun rises and sets is not important," defense counsel argued.

The court took the matter under advisement.

GIRL IS KILLED

PITTSBURGH, Oct. 2.—(INS)—The coroner's office reported today that five-year-old Gladys Hothouse of nearby Emsworth was killed when she tumbled from a moving

automobile in Pittsburgh. The report said the youngster was riding with her grandfather, Frank Waymoss, 58, when she fell from the car and fractured her skull.

HARRISBURG, Oct. 2.—(INS)—R. G. Walters of Grove City had an appointment today from Gov. Edward Martin as a member of the board of trustees for Warren state hospital.

He succeeded Clifford G. Harshaw of Grove City, who resigned. The post carries no salary.

OPTIMIST WEEK TO BE OBSERVED

HARRISBURG, Oct. 2.—(INS)—Optimist week beginning October 1 was endorsed today by Gov. Edward Martin.

"The optimist creed is so impressive in its philosophy of good cheer and character building quality that it should be known widely and could well be practiced by all of us in building peace, friendship and a better world," Governor Martin said.

Little Danger Of Russian War

Russian-Born American, Addressing Executives Club, Points Out Barriers

OUTLINES TEN POINTS OF PEACE

Addressing the Executives club at their opening meeting of the season following dinner in The Castle-Town Tuesday evening, George Rony, Russian-born American, now a citizen of the United States, explained what makes Russia fear the other nations and gave the setting for a possible harmonious peace in the world in his talk, "Europe Reorganized."

The new president, Attorney J. Glenn Berry, presided at the meeting and announced the program for the coming fall and winter season. The reception committee named by him for next month's meeting is: Dr. and Mrs. H. R. Allen, Mr. and Mrs. Kenneth O. Brown and Attorney and Mrs. William J. Caldwell. He also announced the appointment of Dr. A. H. Borland to the vacancy on the board caused by the death of Dr. John J. McVane.

Russia Too Big
The speaker was introduced by Attorney Robert L. Wallace.

Mr. Rony stated that Russia has just won its first war in over 300 years, and in so doing has freed territory which once belonged to her. He stated that Russia has changed the least of any country in the last 300 years.

Although defeated by many nations in wars of the past, her territory is so vast that no country could think of going to war with Russia in the present day would be foolish, being confronted with this same problem. He stated that our country is doing a poor job of policing the countries with whom she was lately at war, so how could she police Russia. If we should go to war with Russia next Friday, it could be ended by next Monday, he stated, because the United States has the bases in Japan and in Europe to drop enough atomic bombs on her key industrial centers to destroy Russia's power to make war.

He stated that the military authorities of our country know almost to the day when Japan would be defeated, and when Russia would enter the war, yet in dropping these two atomic bombs on Japan, we did two things, which are the most disturbing factors toward bringing about peace, namely, the excuse of the Japanese emperor had to quit to save Japan from having the American barbarians destroy her women and children, and to menace her security. Failure to provide the Russians with this secret has led to the suspicion that it could be used to destroy her.

Russia, he said, does not have the

means to wage war on the United States, and will not have for at least 10 years, yet there are forces trying to bring this about, which would mean the destruction of the American way of life, because it would most certainly be succeeded by revolution. The people of America do not want war any more than the people of Russia do.

Advocates Basis For Peace
Russia, he stated, has a tremendous respect for everything which is made in America, and would like nothing better than to equal or exceed us in producing these things.

He advocated ten principles to bring about peace in the world, namely:
Gradual extension of the UNO into a world government.
Demobilization under a time schedule, substituting national force by a UNO army.
Complete control of all potential war bases and of atomic energy by the UNO or a world government.
International administration of enemy territory or of all territories in need of international administration.
International control of all war industries.
Abolition of the veto power of the UNO.
Creation of an International Bill of Rights for all mankind.
International guarantee of freedom of election, speech, press, and of peace.
Enlargement of economic, social and humanitarian activities of the UNO organization.
Compulsory jurisdiction of an International court with the creation of a World tax base.

If Russia would refuse to go along with such a plan, he pointed out in conclusion, it would be better to know it now, than later.

Pittsburgh Child Is Facing Death

PITTSBURGH, Oct. 2.—(INS)—Three-year-old Janice Dapper sat up in her hospital bed today and pleaded with her mother to take her home.

The mother, Mrs. Henry J. Dapper, patted her little daughter's cheek and said, "soon, Janice. Soon."

Then, Mrs. Dapper turned away and tried to choke back her tears. For Janice's doctor informed the parents that Janice is suffering from leukemia, a rare and dreaded blood disease.

Thus far, the girl has failed to respond to two blood transfusions, and physicians held little hope for her survival.

Hold Disposal Plant Conference
Mayor John F. Haven, Property Director Joseph D. Alexander and Engineer John P. Street were in conference today with engineers of Havens & Emerson, consulting engineers of the city, at Cleveland in connection with disposal plant affairs here.

The Cleveland firm prepared the plans and specifications for the improvements at the plant which will cost about \$115,000. Work there has been started by Matthew Leivo & Sons.

The improvements will be paid for out of the recent half million dollar bond issue.

**Brotherhood Group
To Meet This Month**

In order to discuss pressing community matters in which the practical application of "brotherhood" is involved, Rev. Thomas J. Jones, chairman of the local Goodwill Conference, has called a meeting of the executive committee for Monday afternoon, October 21, at 2 o'clock in the history room of the public library.

The committee will also plan a meeting of the entire conference.

New Castle Hospital Nursing Class Begins Studies For Profession

Members Of Nursing Class Of 1949

Members of the new nursing class of 1949 of the New Castle Hospital School of Nursing, which began their studies for the nursing profession on September 1, are pictured above with the director of nurses, Sister Mary Dolores. The class is wearing the new student nurses uniform, during the first pre-clinic six-months period of training.

During the six-months pre-clinic period, the curriculum includes all basic subjects, necessary for a sturdy foundation of a medical and surgical unit of studies. On March 1, the six-months period will end for the New Castle Hospital nursing class, and capping exercises will be conducted. The student nurses will receive their caps and gowns, and then start the hospital training course.

The student nurses class is as follows, reading from left to right: Front row: Genevieve Miller, New Wilmington; Josephine Fico, 1,509 Huron avenue; Ida Frazier, Portersville; Edna Buckley, 109 Atlantic avenue; Edna Forester, Slippery Rock; Jean Kandy, 19 North Greenwood avenue; Sylvia Saul, 16 West Long avenue; and director of nurses, Sister Mary Dolores.

Back row: Louise Jimm, 109 East Long avenue; Noreen Snyderwine, Sharon; Kathryn Fabian, Youngstown, O.; Marian Vito, 639 South Cascade street; Rose Navarra, 1325 State street; Doris Patterson, R. D. 5; Winifred Bigley, 402 Connor avenue; and Frances McKissick, 504 East Long avenue.

SLIGHT GAINS IN STOCK MARKET

NEW YORK, Oct. 2.—(INS)—Fractions to a point were added to big board stocks today after a dull opening.

Trading continued on a restricted scale with sales running at a rate of less than a million shares for the second day in a row.

Light but steady demand for stocks spread to the rest of the list and around noon practically all groups were ahead by a small margin.

Bethlehem Steel and U. S. Steel each moved ahead by a point or so. Motors hardened with both Chrysler and General Motors up a fraction around noon. DuPont and Allied each picked up a point, Eastman lost as much.

Work Progresses At City's New Airport

First Runway Of Port Shenango On Ellwood Road Two-Thirds Complete

If good weather prevails, as has in the past few weeks, one 1800-foot runway and a new hangar should be completed at Port Shenango, New Castle's newest airport located on the New Castle-Ellwood road, across from the Sylvan Heights golf course, by next week, according to word from the owner and manager of the port, Frank J. Barone.

Mr. Barone stated that since the contractor moved in his equipment a few weeks ago, excellent progress has been made. The airport comprises part of the foundation of the old Harmony Shortline street - a track, which necessitated more work than was originally anticipated, due to the fill that made for the bed of the old tracks. This has now been overcome and the work is moving along at a rapid pace.

Walls of the new hangar are going up, with workmen installing windows in them today. It is expected that work on the new hangar should be completed by the first of next week. Materials are of concrete blocks and steel trusses.

As soon as the 1800-foot runway is completed, work on the second, a 2200-foot strip, will be begun. The runways at present will be of sod.

Early next year, a training program will be begun at the port, when former GI's will be trained in the operation of planes and those who have had training in the army will be able to resume their training.

PACK SCHOOL LUNCHES THAT MEET FOOD NEEDS

September marks the beginning of the school year and to many mothers this means packing lunch boxes five days a week. Lunch-packing is not just another thing to do, but should be thought of as something very important for the health and happiness of the child, reminds Lawrence County Home Economics Representative.

The lunch the child eats away from home should provide him with one-third or more of his daily food needs. This means that the person who packs his lunch must give special care to what goes into it.

A good home-packed lunch should provide these foods:

1. Sandwiches, the number depending on the child's age and appetite. Use whole-wheat bread for one sandwich and any other kind, such as rye, prune, or nut bread, for the rest. Have one hearty filling like meat, cheese, or peanut butter, and for the other use chopped or shredded raw vegetables or a dried fruit filling. Prepare fillings so they are fairly moist and easy to handle when eating the sandwich. Be sure filling comes to the edges of bread, otherwise crumbs are dry and uninteresting and may not be eaten.

2. A soup, a creamed or scalloped dish, or a salad. Hot foods may be put in a glass jar and reheated in a pan of hot water at school.

3. When chopped vegetables are not used in a sandwich filling, include a raw vegetable, such as carrot sticks, cabbage wedge, tomato, or celery.

4. Milk, a milk drink, milk dessert, or a milk soup.

5. Fruit—fresh, canned, or dried.

6. A simple dessert is a treat but not essential. Cookies, unfrosted cakes, nuts, custards, puddings, or an occasional piece of candy may be included.

The food must be prepared and packed in an attractive manner so the child will enjoy eating his lunch.

County Agent Discusses Operation Of Artificial Breeding Unit At Clarion

L. C. Dayton, county agent of the Lawrence County Agricultural Extension association, addressed members of the Lions club at their noon luncheon meeting in The Castleton Tuesday.

Mr. Dayton told about the operations of the Western Pennsylvania Artificial Breeding association, whose headquarters are at Clarion, his address proving entertaining and instructive.

Announcement was made by President Lumley of plans for the annual Halloween party, the committee on arrangements being Richard Davis, Charles Goodman, W. Roscoe Clement, Al W. Bauman and Jack London.

Henry M. Sterner, of New Castle, was a special guest.

Howard Rodgers Legion Commander In New Wilmington

NEW WILMINGTON, Oct. 2.—Howard Rodgers, veteran of World War II, was elected commander of New Wilmington's American Legion post No. 723, a comparatively new organization in the county.

Joseph Leonard was named sergeant-at-arms, and Attorney Thomas Mansell was elected second vice commander.

The post embraces a total of 85 members and plans to erect a new home in the near future. The borough council has already allotted a plot of ground for the proposed structure.

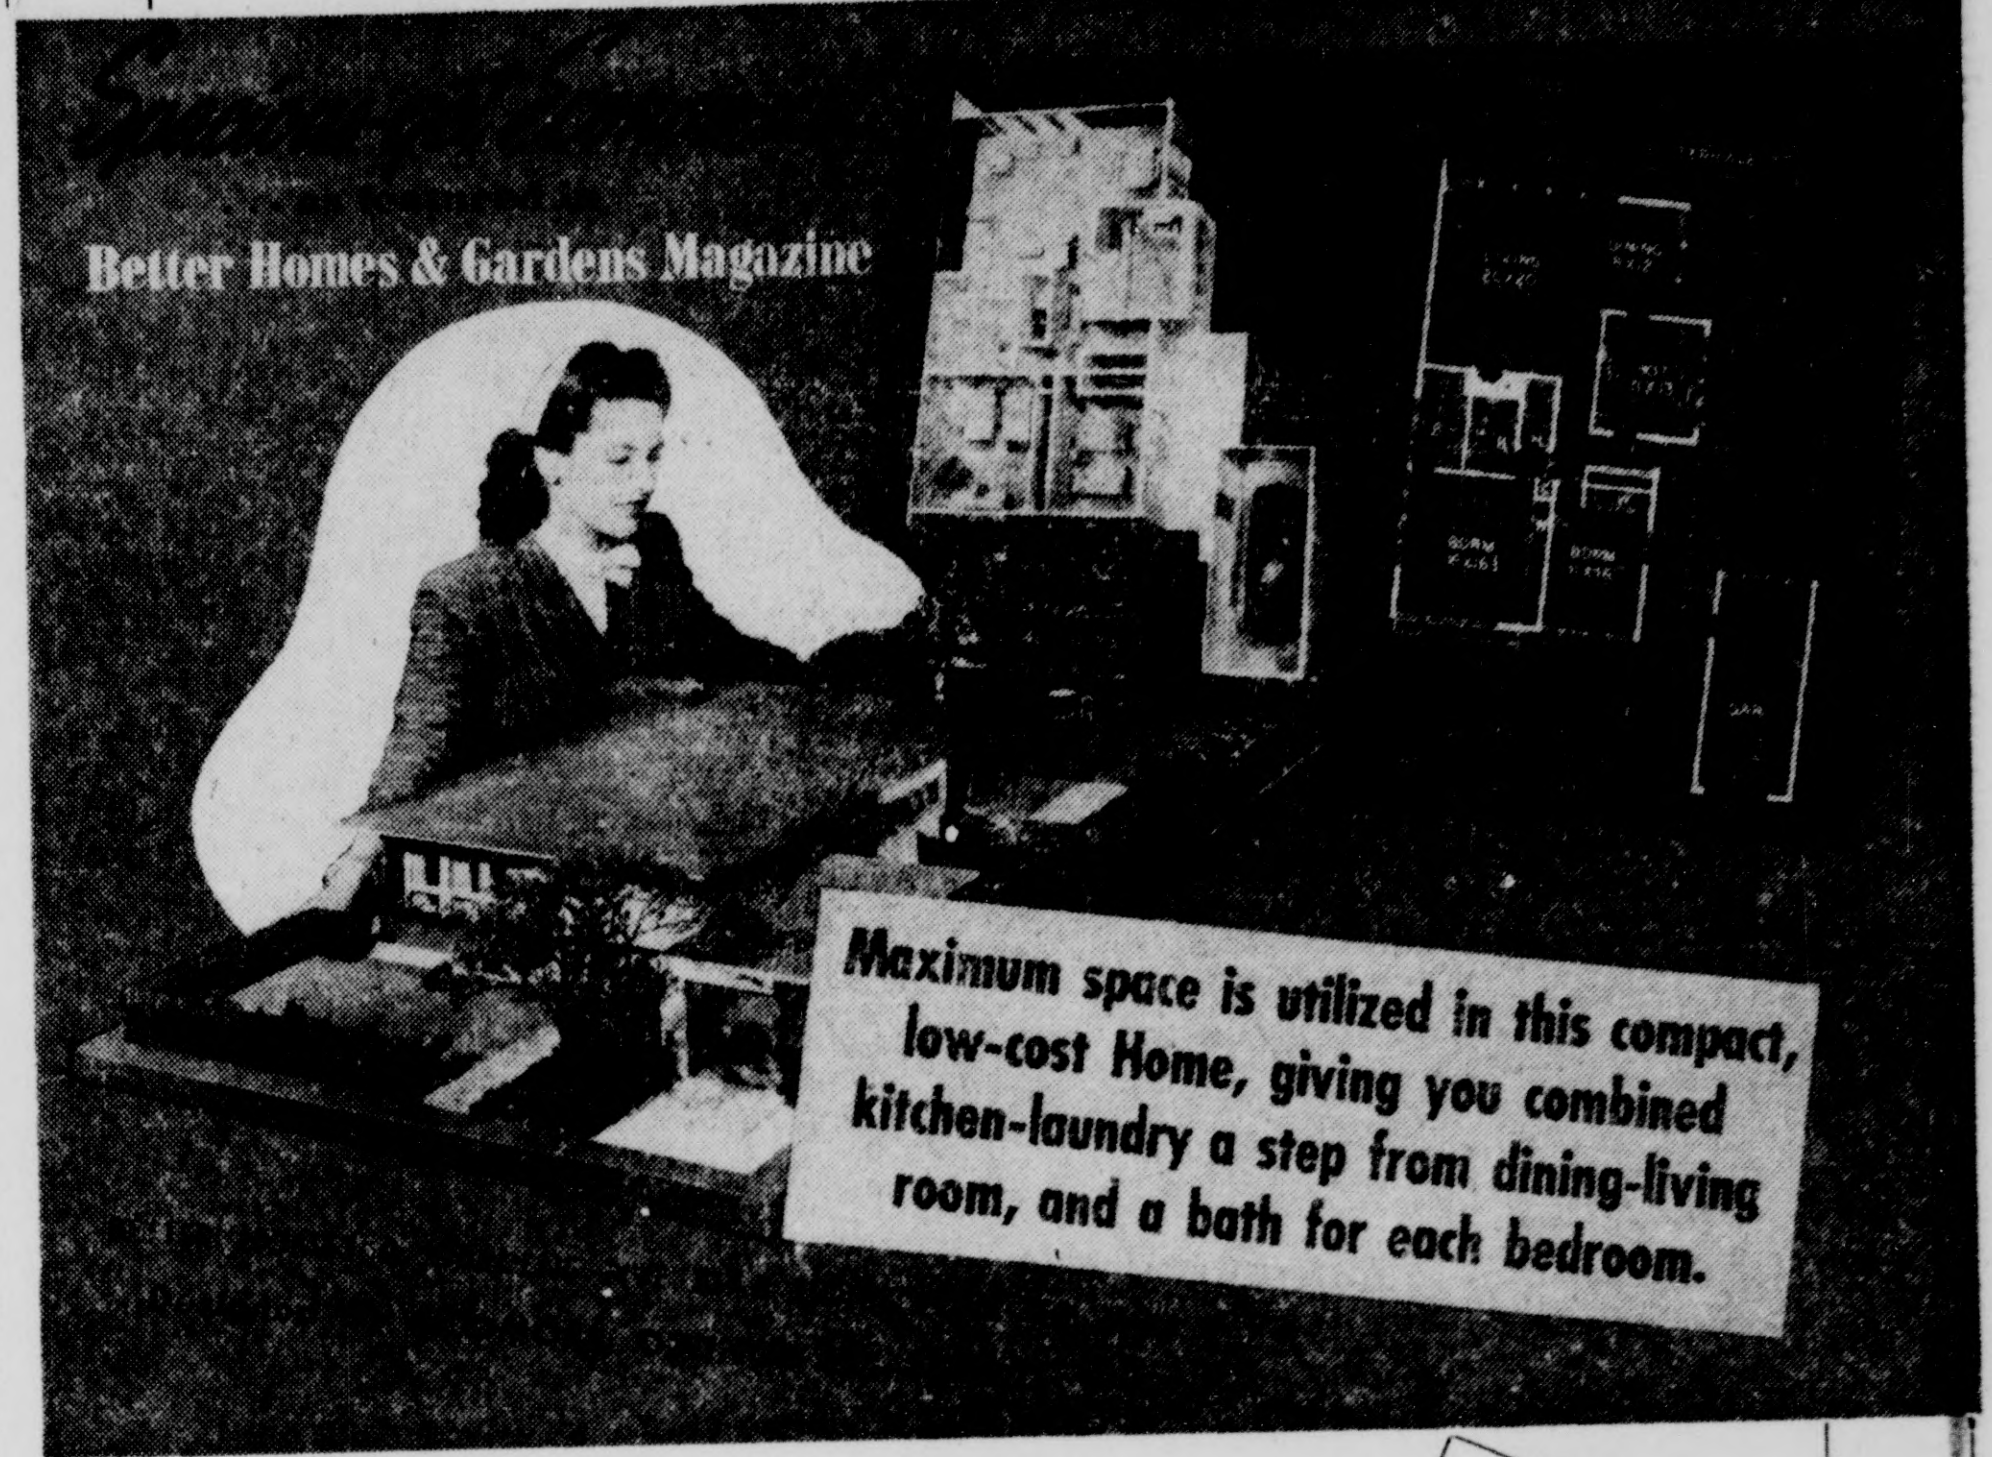

The post also plans to be active in sports in the future. This winter they will sponsor a basketball team, it was announced.

Asks Observance Of Pulaski Day

HARRISBURG, Oct. 2.—(INS)—Pennsylvanians were asked today by Gov. Edward Martin to observe Gen. Casimir Pulaski Memorial Day October 1 in tribute to his heroic service to our country during the American Revolution.

Pulaski, a Polish nobleman, joined Washington's army during the Revolution and was mortally wounded during the battle of Savannah, Ga., 167 years ago.

Now that air mail will be sorted on planes and dropped off at its destination just as regular mail is sorted and dropped off at trains, New Castle may be in the direct path of air mail sometime soon, according to the expectations of Postmaster William R. Hanna.

"The regular airlines may not go through New Castle, but probably a helicopter will pick up the mail at the Pittsburgh or Cleveland airports and drop it on the roof of the New Castle post office. Clever idea, isn't it?"

Clever and convenient both. Won't it be nice to get an answer in the afternoon to a letter that was mailed in the morning?

Veterans Hospital To Be Built In Erie

PITTSBURGH, Oct. 2.—(INS)—The Veterans Administration in Pittsburgh announced that a new 200-bed general, medical and surgical hospital will be built in Erie for sick and disabled veterans.

No date was set for construction to begin.

The Veterans Administration spokesman said that the construction of the new hospital will be in keeping with the VA's policy of building hospitals "as close as possible to the medical centers of cities."

The spokesman said that the proposed site of the new hospital will be in the south central portion of the city at the southwest corner of East 38th street and Old French (Evans) road.

BROOKLYN FACES CRUCIAL THURSDAY

By CHARLES EINHORN
(International News Service Sports Writer)
ST. LOUIS, Oct. 2.—The caravan of baseball history rolled on to Brooklyn today while all St. Louis rejoiced over the Cardinals' first game playoff victory over the Dodgers, and made happy plans for the 1946 world series.

There was ample cause for emotion on the banks of the swirling Mississippi. For yesterday, in the opening game of the National League pennant playoff, the Cards outclassed the Dodgers, 4 to 2.

Cards Look To Thursday
Thus today they were 4 to 1 favorites to win the two-out-of-three games playoff and face the Boston Red Sox in the world series.

A victory at Brooklyn tomorrow will clinch the pennant for the Cards, who ended their regular season Sunday tied for the lead with the Dodgers at 96 wins and 58 losses apiece.

But even should they lose tomorrow's second game in the only pennant playoff in major league baseball annals, the Cards would still have the rubber contest in Brooklyn Friday.

There exists no such if-clause for Manager Leo Durocher's Brooklyn operatives. The Dodgers must win tomorrow. If they don't, it's all over. Brooklyn used up five pitchers yesterday.

The cause of his situation could be found in a number of Cardinal sources, as 26,332 fans who saw the first game at St. Louis Sportsman's Park can testify.

Howie Pollet Stars
To begin with there was slender Howard Pollet, the National League's leading pitcher, with his grim heart and throwing arm.

Pollet braved the pain of a strained muscle beneath his pitching shoulder to go the limit, straining eight Dodger safeties along the way.

Or one could select, freshman catcher Joe Garagiola, who reduced three of the Cards' 12 hits, batted in half of their runs, and handled Pollet with the poise of a baseball veteran.

Or there was Enos Slaughter, who processed two of the Cards' scoring outbursts with important singles and who cancelled the most serious Dodger threat of the day with his 26th assist of the year.

This was when Slaughter made a jet-propelled throw which cut down Brooklyn catcher Bruce Edwards at third in the seventh inning with one out and the Dodgers only a run behind.

Betting Odds On Cardinals Drop

ST. LOUIS, Oct. 2.—(INS)—Betting odds on the St. Louis Cardinals to trim the Brooklyn Dodgers in the National League pennant playoff series took a decided drop today.

The Redbirds were quoted 1 to 4 after defeating Leo Durocher's men 4 to 2 in the first game of the historic series yesterday. The Cards had been 13 to 20 favorites to win the title in previous odds.

The Dodgers, who had been an 11 to 10 chance, now are the long shots at 2 to 1 to take the series.

For tomorrow's game, the Cards were quoted at 4 to 5, and the Dodgers at even money.

GUNS have played an important role in the lives of Americans. Pilgrims used their weapons to adorn tables with wild turkeys, Daniel Boone could shoot the eye-brows off a squirrel and scouts who protected wagon trains crossing the prairies also brought down buffalo to balk hanger. In those days the guns were not as they are today but the aim was as good. While there are few weapons of those days around there are yet some old type guns and when the folk, and this means, men, women and children, walk and ride to the Harbor, October 5, to witness the Field day festivities staged by the Sportsman's Council of Lawrence County, they'll have an opportunity of comparing weapons of the past with the modern guns of today. Thornton Allen, an old weapon enthusiast will show and fire his ancient and no doubt the shooting experts of various rifle companies will be armed with a 38 calibre percussion half-stock rifle, a 40 calibre flintlock rifle and a 44 calibre cap and ball revolver. According to Allen they show an amazing accuracy over a short range. In fact, according to Muzzle Blast, the official publication for ancient guns, they compare favorably with modern weapons over 10 and 20 rod ranges. In addition to this feature, there will be shooting at a running deer, trap, skeet, pistol and rifle shooting. There will be also Beagle and bird dog trials, a coon trial and fox chase.

Activities will begin at 8 a. m. and continue until the shades of darkness descend over the district. Years ago Field day was the biggest day, prior to the actual ushering in of the small game hunting season and it is believed that this October 5, there will be thousands of persons at the Lawrence County Sportsman's farm.

Tom McMahon, ex-beat of the light-heavies, has recovered from illness in Cleveland. However, his sister is seriously ill in Chicago.

Owners of the Cards and Dodgers will slice a nice leave through three games to decide the winner in the National circuit and which necessitates the holding off of the World Series.

Ben Hogan captured the Dallas Open, taking \$2,000 first money. He beat Paul Runyan two strokes, having turned in a card of 284.

Judging from the result of the annual golf feud of Captain Roger Rowland and Bob Cunningham, the latter was the Hogan of the Field club event which resulted in Margaret Henry home.

Dr. Fred A. Bolland and Keweenaw Lewis, both of Sharon, bagged a 1,000 pound moose in Canada.

Wally Hakevich has brought a wave of gloom to Penn State. He has transferred to Temple. Last season Wally scored 216 points in 16 games for the Nittany Lions.

Although bruised Sharon players were not seriously injured in their winning clash with Ge-Ca-Hi.

Beagle trials, being held by the Beaver Valley Beagle club, will end today.

Jack Welch, a fisherman in Michigan bagged a half-grown black bear under unique circumstances. The bear, apparently exhausted, swam to the boat and rested his forepaws on the gunwale. Maybe he intended to board the craft. The fisherman shot the animal and towed the body to shore.

Jack Biddle, local middleweight, is willing to fight any middleweight in this section of the country, according to Manager Paris Caney who points out: "Jack is a local boy, good puncher and thoroughly game." He gave Billy Grumbaker a tough fight at Youngstown and some local fans believed he deserved a draw. He trains at the Columbus club, Seventh ward with Caney, one of the best sockers of lightweight years ago, as his instructor.

An abundance of pheasants, bobwhites, quail and wild turkeys will be accessible to hunters when the four seasons open November 1. It was announced today by the state game commission at Harrisburg. Director Seth Gordon said approximately 67,500 birds will have been released in hunting areas by the end of October. Thirty-four thousand pheasants, 11,000 quail and 1,600 wild turkeys were being liberated this month while 12,900 pheasants, 7,600 quail and 550 wild turkeys were set free in the spring, he said. An additional 55,000 ring-necked pheasants were being raised for release and a "large percentage" may be placed in December.

thousand others will be released next spring, Gordon reported. He added that 50,000 rabbits had been ordered from Missouri farms for delivery in December.

Schweinsberg Named Revolver Club Head

Veteran Pistol Expert Elected President, Other Officers Also Named

Charles Schweinsberg was elected president of the Sportsman's Revolver club at the Cathedral range last night and will lead the organization for the next year.

Bill Tamey was named as vice-president, William McKee was named secretary and Bill Teyab was named treasurer. Other officers named are Kenneth Beck as executive officer and Frank Giordano as range officer.

The club is making arrangements to take part in the big sportsman's event at the Harbor range on October 5, it was announced. The club will hold its regular weekly shoot next Tuesday at the Cathedral range. The revolver club is planning a heavy winter program of activity, Secretary McKee announced.

Shenango Faces Tough Hopewell Saturday Night

Continuance Of Power Strike Would Change Game To Afternoon At Quips' Field

Definite underdogs, and still seeking their first victory of the season, the Shenango High Wildcats will invade Hopewell township Saturday night for their third class B scrap.

The contest is to be played at the Allegheny High stadium, and if the power strike still prevails, the game will be played in the afternoon beginning at 3 p. m. Kick-off for the night fray will be 8:15.

Troubled by Mercer and Avalon and deadlocked by Zelenopie, the Cats will be facing one of the powers of the class B circuit, a team that has yet to taste defeat.

Have Powerful Team
The Vikings have swept aside Zelenopie, 26-6; Neville, 19-0, and Darlington, 16-7. The locals will have quite a task halting the valleys in their march to the class B toga.

Captain Eddie N. has hopes to have the bandages off all his injured players for the game and has made more changes to light the victory flame under the team.

If Bob Tamer is ready to play he will be at the snapper-back spot, flanked by two new guards, Marion Tomczyk, ex-senal-barker, and Therman Miller, originally an end.

Johns At End
Ronny Johns, who has had a fling at one of the halfback posts may end up on the wing for this game. The other terminal will be Don Mayberry. Tackles still will be Owee and Shaffer.

In the backfield, Coachman, switched from fullback will do the quarterbacking, with Letera and a newcomer, Hogue, at the halves.

If Hogue does not prove satisfactory, Johns may still remain in the ball-toting corps.

West Foubelle will be the fullback, he having given a good account of himself with his line-backing in the Avalon game.

Church Golfers Banquet Thursday

St. Mary's Team, Champions Of 1946 Will Be Honored, Officers Elected

New Castle Church Golf league members will sit down at a 6 o'clock turkey dinner Thursday at the First Presbyterian church to officially end their 1946 season and honor the St. Mary's team, the champions.

Upwards of 80 to 90 men will gather at the church for the dinner, it was indicated. Following the serving of the dinner an election of 1947 officers will take place, with President John Cartwright conducting the election.

Elevation Of Officers
Karl Rohrer, the vice president this year will be elevated to the presidency, and Charles Ward, the secretary this year, will be elevated to vice president. The only two officers to be chosen for next year are secretary and treasurer.

All members of the league are eligible to attend the banquet providing they have their dues paid. It was announced, Newell Kelly is the treasurer this year.

A.A.U. Ban On Amateur Boxing Results In Pro Being Docketed For Arena

George Clark, colored, of Pittsburgh, and Harold Hazlett of Rochester, Pa., light-heavyweights, will meet in a pro 10-round bout in The Arena October 14, according to the Jefferson Athletic club.

The pro show was calendared in view of the ban placed by the Amateur Athletic Union on amateur boxing pending an inquiry in Western Pennsylvania to ascertain if clubs and boxers have violated their amateur status.

In addition to the main bout, there will be two six-round and also two four-round bouts.

It will be the first pro boxing show here in years.

Union High Has Hopes Of Taking Bessemer Friday

Union's Scotties Eagerly Await Rivals From Bessemer In 1946 Meeting

INJURIES RIDDLE CONTESTING TEAMS

When Bessemer High visits Union on the Union High field Friday afternoon at 2:30 o'clock, it will be more than just two schoolboy eleven meeting in football combat.

It will be two bitter rivals meeting with all the venom of years of defeats and victories behind them.

Both teams have shown that they have the power to make a good game. Union defeated George Junior Republic, 14-6, but Bessemer had already beaten the same team by a larger score 25-0. To make it harder on those figuring the averages, Bessemer was swamped by Evans City, 26-0, when alone comes Union High and holds Evans City to a 12-0 score.

Have Good Subs
Union and Bessemer squads are composed of exceptionally good subs and it is a good thing, for both teams lost star players in recent games. At Union it is doubtful if Rex Conti and Jim Bagley will see any action. Lou Rotundo is all right but Stan Kupiec, Union's left guard, is out for sure, having suffered a concussion in the Evans City game.

Out at Bessemer High they are signing the blues too. Bianchi, who received a severe charlie horse out of the Bessemer-Lowellville game, has been held out of all practice this week. He will be permitted to run signals at the Thursday night's practice and hope is held that he will be able to play on Friday.

Lombardi has an injured ankle, while John Pezzuolo, who had his leg hurt as a child and re-injured in the Freedom game, is expected to play some, but will not likely start. Percie is off the sick list now and Tirratto will more than likely start for either J. Pezzuolo or Bianchi.

New Castle Fighter In Honolulu Bout

By cablegram today came word that New Castle's Butch O'Hara was defeated by a decision in a six-round semi-final bout at the Honolulu stadium last Saturday night.

Russell Leasure, as he is known here, was scheduled to fight Andy Kim with whom he fought to a draw in August, on the 14th of September, but the bout was postponed by the 21st then again to the 28th. The fight, in the welter-weight class, stole the show in the stadium, with both boys punching and sluging all the way. Evenly matched, the six-rounder could have been a draw, but the judges ruled that Kim threw more leather.

Butch received no injuries in his bout and has been promised a final in the near future at the stadium in Honolulu. His opponent is unknown at this writing.

McKechnie Joins Cleveland Indians As Coach For 1947

Recently Resigned Cincinnati Manager Will Assist Lou Boudreau

CLEVELAND, Oct. 2.—(INS)—William Boyd McKechnie, recently resigned manager of the Cincinnati Reds in the National league, was added today to the Cleveland Indians' coaching staff.

Tribe President Bill Veeck announced last night that the 59-year-old baseball veteran had signed to assist Manager Lou Boudreau in building a first division club for Cleveland next year. The Indians finished in sixth place this year.

Led Pirates in Series
McKechnie began his career as a manager in 1922 when he moved up from coach of the Pittsburgh Pirates to direct the National league club. The Pirates won the pennant in 1925 and McKechnie went to St. Louis as coach of the Cardinals for a year.

In 1928 he directed the Cards to the league championship, went to the minors the next year and back to the Cards before he finally moved to Boston where he managed the Braves for seven years.

He took the helm of the Reds in 1937 and piloted them to the pennant in 1939 and 1940.

Believes Student Driver Training Would Aid Safety

HARRISBURG, Oct. 2.—(INS)—The Pennsylvania highway safety education committee expressed hope today that the state's 1240 high schools would inaugurate student driver training courses to help reduce traffic accidents.

Ivan Stehman, director, said "high schools had initiated classroom instruction in line with the campaign to lower the highway death toll.

Three of the schools, Radnor township in Delaware county, Bradford and Indiana, also have "behind-the-wheel" instruction courses during which students drive vehicles in traffic, Stehman said.

Pittsburgh Hotel Strike Continues

PITTSBURGH, Oct. 2.—(INS)—Eight major Pittsburgh hotels today had hundreds of vacancies—but no takers—as the strike of 1800 service employees went into its second day with no signs of settlement.

Conventions and banquets were cancelled and new guests were refused admittance as pickets paraded before the hotels to enforce their wage demands.

Only permanent guests with room-keys were allowed access to their rooms and then they had to make their own beds. Telephone service and an elevator was kept running by managers and supervisors. All bar, dining rooms and grills were closed by the walkout of the AFL Hotel and Restaurant Employees Alliance.

The union struck for a 25-cent hourly wage increase, reduction of a 48-hour week to 40 hours with no reduction of pay, an improved vacation plan, a comprehensive insurance program to be paid by the management and several lesser demands.

Medical Society Meeting Thursday

Dr. C. R. Kingsley Johnston, chief of the Division of Allergy of the Cleveland Clinic, will address the Lawrence County Medical Society, Thursday evening at 9 o'clock, in the convocation of The Castle.

Dr. Kingsley will speak on the subject of "The Treatment of Intractable Asthma." He will discuss the many advances made in the management of asthma. Later Dr. Kingsley will answer questions.

Dr. C. H. Whalen, is chairman of the program committee.

LOCAL MOTORIST LOSES LICENSE

Only one Lawrence county motorist lost his driver's license during the week ending September 20, the bureau of highway safety announced today. During the period the bureau withdrew the cards of 294, with 32 revocations and 262 suspensions. The New Castle driver lost his card for intoxication.

During the same period the bureau restored driving privileges to 259. In this total one Ellwood City driver was included.

Miners' Convention Down To Business

ATLANTIC CITY, N. J., Oct. 2.—(INS)—Still minus their fiery leader, John L. Lewis, and with A. F. L. head, William Green's happy and triumphant return to a UMW convention over the 3,000 delegates to the United Mine Workers' 39th consecutive convention today turned their attention to business matters.

The convention, strictly a scale and policy conclave, will consider the joint report of their officers for the last two years. The report includes such subjects as their last wage contract, the health and welfare fund, the anthracite negotiations and other matters brought to a successful conclusion by Lewis.

VFW WILL ELECT DELEGATES FOR DISTRICT MEETING

Meeting Thursday evening, October 3, at 8 o'clock, members of post 315, VFW, will choose delegates and alternates to attend the meeting in Butler, Sunday, October 29, when a commander of the 25th district will be announced.

Final phases of the post recreational program will be completed Thursday evening. Chairman Christoph of the wheel chair committee states that chairs are available at all times, free of charge, to any veteran or member of his family.

Brecheen-Hatten Thursday Hurlers

ST. LOUIS, Oct. 2.—(INS)—Harry "The Cat" Brecheen of St. Louis and Jon Hatten, the Dodgers' freshman left-hander, will face each other on the mound at Ebbets field, Brooklyn, tomorrow when the Cards and Dodgers reassemble for the second game of their playoff for the National League pennant.

WIND, COLD, SLEET; B-R-R-R! It's cold here but not as cold as at Warren, Pa., where wind blew, snow and sleet fell and the thermometer registered 32 yesterday.

WONDER WHAT WE'RE HAVING FOR SUPPER—HMM—IT LOOKS GOOD

YIP YIP

JUST TO THINK SHE'S ON HER WAY. PLEASE DON'T WASTE TIME... BRING HER TO ME PAST... MY DEAREST...

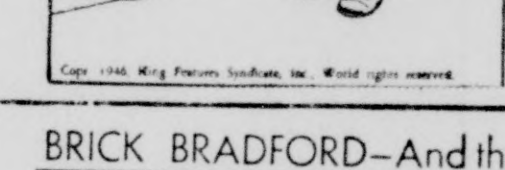

WE SEEM TO BE HAVING A VERY ROUGH TRIP... IT'S REALLY BUMPING... LIKE GOING THROUGH ACK-ACK-ACK...

IT'S NOT UNUSUAL IN THIS AREA. WERE YOU UNDER FIRE... MUST HAVE BEEN THRILLING.

OH, FATHER!

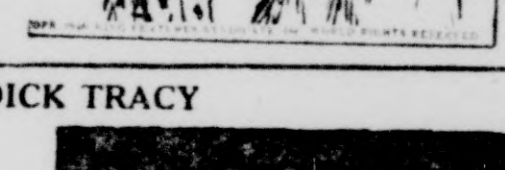

YOU—YOU'RE NOT MY FATHER!

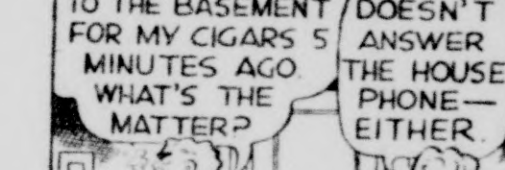

BRICK!!

WE'RE IN A TOUGH SPOT, OLD MAN, AND OUR FIRST JOB IS TO GET YOU TO SAFETY!

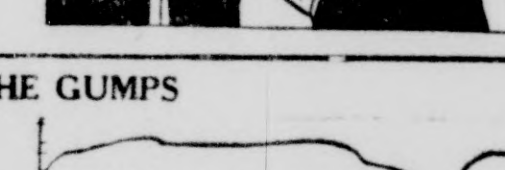

EDDIE WENT DOWN TO THE BASEMENT FOR MY CIGARS 5 MINUTES AGO. WHAT'S THE MATTER?

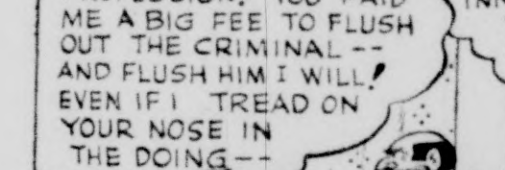

HE DOESN'T ANSWER THE HOUSE PHONE—EITHER

HEY, EDDIE!

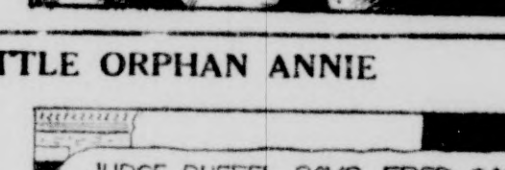

HE'S MAKING A DASH FOR IT!

WE'VE GOT TROUBLE GARGLES.

I HAVE A PRIDE IN MY PROFESSION. YOU PAID ME A BIG FEE TO FLUSH OUT THE CRIMINAL—AND FLUSH HIM I WILL! EVEN IF I TREAD ON YOUR NOSE IN THE DOING—

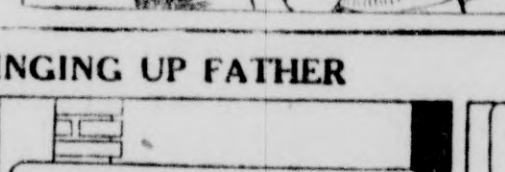

ANDY'S INNOCENT, YOU SAY!

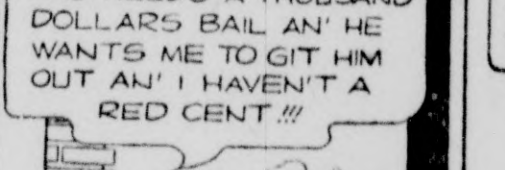

I'LL WAGER MY ENTIRE FORTUNE AGAINST A PLUGGED NICKEL—

YOU'VE GOT A BET—SOON AS I GO OUT AND PLUG THIS ONE!

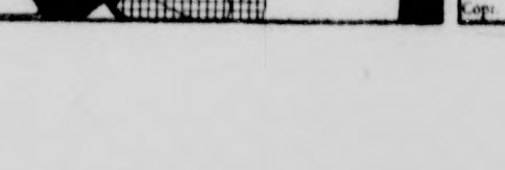

YES—YES ANDY—WHAT? YOU'RE W-WHERE? IN J-JAIL?

WANT TO SHORTEN THOSE ODDS A BIT, GUMP?

OH, I DON'T KNOW—THEY SEEM TO FEEL PRETTY CHIPPY ABOUT THE WHOLE THING—
